

Preface

The findings and discussions in this work are based on a 2-year research project funded by Spencer Foundation research grant # 200800124. The authors would like to thank all participating online instructors and students for their support and valuable input. The authors would also like to thank Felisha Herrera, Michelle Jewett, Penny L. Causarano, Dean Kwak, Tatiana Abras, Rebeca Gibrail, and all of the people who have assisted our work.
