Theoretical Perspectives on the Effect of Cultural and Age Differences on Cognition, Communication, and Behavior	6
Cultural Effect.....	6
Effect of Age	7
Theoretical Perspectives on Cultural and Age Differences in Technology-Mediated Operations	8
Web-Based Education Across Culture and Age	8
Research on Cultural Issues in Web-Based Education	10
Research on Age-Related Diversity in Online Education.....	11
Summary	13
An Outline of the Book.....	13
References	14
2 Multicultural and Intergenerational Teaching and Learning: Current Research	21
Constructs of Culture in Higher Education.....	21
Cross-Cultural Online Education	23
Modes and Focus of Research	25
Research Methods	25
Populations Studied	26
Research Questions.....	27
Major Findings.....	28
Nontraditional Student Success and Intergenerational Online Education.....	29

Nontraditional or Adult Student Population Studied	29
Research Questions	30
Research Methods	31
Major Findings	32
Appendix	33
References	49
3 A Two-Year Research Project on Web-Based Teaching and Learning	55
Research Design	55
Sites and Participants	56
Data Collection and Analysis	57
A Summary of Major Findings	62
References	63
Part II Study Findings	
4 Diversity in Online Learning Interaction and Participation	67
Student-Student Interactions	68
Quantity and Quality of Online Discussions	68
Diversity in Experience and Perception of Student-Student Interaction	69
Technology-Mediated Peer Interaction for Diverse Learners	72
The Presence and Role of Culture and Age During Student-Student Interaction	76
Student-Instructor Interaction	83
Age, Ethnicity, and Education on Level of Student-Instructor Interaction	83
Technology-Mediated Presence of Instructor	84
Match and Adaptation Between the Teaching and Learning Culture	86
Student-to-Content Interaction	87
Time or Frequency in Interacting with Learning Objects	87
Content Interaction Processes	88
Perceived Learning Satisfaction	91
