
Contents

Part I Meniscal Allografts

1	Meniscal Allograft	3
	R. Verdonk and P. Verdonk	
2	The Meniscus: Basic Science	7
	H. Pereira, J. Silva-Correia, J. M. Oliveira, R. L. Reis and J. Espregueira-Mendes	
3	Organisation: Type of Grafts—Conservation—Regulation	15
	Ch. Delloye, T. Schubert and O. Cornu	
4	Surgical Techniques	27
	Rene Verdonk	
5	Results and Indications	45
	P. Verdonk and R. Verdonk	

Part II Meniscal Substitutes

6	Collagen Meniscal Implant (CMI)	73
	Joan Carles Monllau	
7	Polyurethane Implant (ACTIFIT)	83
	Rene Verdonk	
8	Synthesis	99
	R. Verdonk	

Part III The Future

- 9 Future Trends in the Treatment of Meniscus Lesions:
From Repair to Regeneration 103**
H. Pereira, J. Silva-Correia, J. M Oliveira, R. L. Reis
and J. Espregueira-Mendes

Part IV Conclusion

- 10 Conclusion 115**
R. Verdonk, J. C. Monllau and J. Espregueira-Mendes

Meniscal Transplantation

Verdonk, R.; Espregueira Mendes, J.; Monllau, J.C. (Eds.)

2013, VIII, 119 p. 39 illus., 34 illus. in color., Softcover
