## Part I Technique and Normal Anatomy

<b>1</b>	<b>Hints of Technique and Methodology</b> . . . . .	3
	Methodology . . . . .	5
	Errors and Artefacts in OPT . . . . .	6
	Patient Preparation Errors . . . . .	6
	Patient Instruction Errors . . . . .	7
	Cassette Location Errors . . . . .	7
	Patient Positioning Errors . . . . .	8
	Geometrical Enlargement in OPT . . . . .	9
	Image Gallery . . . . .	11
	Suggested Reading . . . . .	26
<b>2</b>	<b>Normal Anatomy</b> . . . . .	27
	Concepts of General Anatomy . . . . .	27
	Descriptive and Radiographic Anatomy of the Dental Element . . . . .	28
	Descriptive and Radiological Anatomy of the Support Apparatus or Periodontium . . . . .	30
	Descriptive and Radiographic Anatomy of the Mandible and the Mandibular Canal . . . . .	30
	Anatomy of the Surrounding Structures . . . . .	33
	Radiographic Anatomy in Paediatric Age . . . . .	34
	Image Gallery . . . . .	36
	Suggested Reading . . . . .	50

## Part II Elementary Radiographical Semeiotics and Pathological Terminology

<b>3</b>	<b>Alterations of Number, Orientation, Seat, Morphology, Width and Structure of the Dental Element</b> . . . . .	53
	Number Anomalies . . . . .	53
	Anomalies of Position, Orientation and Seat . . . . .	55
	Anomalies of Morphology and Dimensions . . . . .	55
	Alterations of Morphology . . . . .	56
	Alterations of Dimensions . . . . .	57

Alterations of the Structure . . . . .	57
Image Gallery . . . . .	59
Suggested Reading . . . . .	78
<b>4 Caries . . . . .</b>	<b>79</b>
Caries Complications . . . . .	81
Secondary or Recurrent Caries . . . . .	82
False Caries . . . . .	82
Image Gallery . . . . .	84
Suggested Reading . . . . .	98
<b>5 Periapical Lesions . . . . .</b>	<b>99</b>
Nosography of Inflammatory Periapical Lesions . . . . .	99
Periapical Abscess . . . . .	100
Apical Granuloma . . . . .	102
Pararadicular Inflammatory Lesions . . . . .	103
Periapical and Periradicular Sclerosing Lesions . . . . .	103
Image Gallery . . . . .	105
Suggested Reading . . . . .	120
<b>6 The Periodontal Disease . . . . .</b>	<b>121</b>
Chronic periodontopathy (or Periodontitis) . . . . .	122
Aggressive periodontopathy or Periodontitis . . . . .	122
Ulceronecrotic periodontopathy or Periodontitis . . . . .	122
Elementary Alterations of the Periodontium . . . . .	123
Tartar Deposits . . . . .	123
Resorption of the Alveolar Bone (Horizontal or Vertical/Angular) . . . . .	124
Focal Periodontopathy or Periodontitis . . . . .	126
Periodontopathy Due to Loss of the Occlusal Load . . . . .	126
Image Gallery . . . . .	127
Suggested Reading . . . . .	138
<b>7 Cystic Lesions and Maxillary Tumours . . . . .</b>	<b>139</b>
General Considerations on Cystic Lesions . . . . .	139
Lacunar Images of the Mandible . . . . .	139
Radicular Cysts . . . . .	140
Radicular or Periapical Cyst . . . . .	140
Residual Radicular Cysts . . . . .	141
Lateral Radicular Cysts . . . . .	141
Follicular or Dentigerous Cysts . . . . .	141
The Eruption Cyst . . . . .	142
Primordial Cyst and Odontogenic Keratocyst . . . . .	142
Odontogenic Tumours . . . . .	143
Odontoma . . . . .	143
Adenomatoid Odontogenic Tumour (Ameloblastic Odontogenic Tumour) . . . . .	144
Squamous Odontogenic Tumour . . . . .	145

---

Calcifying Epithelial Odontogenic Tumour. . . . .	145
Calcifying Odontogenic Cyst . . . . .	145
Ameloblastoma . . . . .	146
Non-odontogenic Cysts. . . . .	147
Fissural Cysts. . . . .	147
Non-odontogenic Tumours of the Maxillaries. . . . .	148
Secondary Tumours of the Maxillaries . . . . .	148
Image Gallery . . . . .	150
Suggested Reading . . . . .	164
<b>8 OPT in Post-treatment Evaluation . . . . .</b>	<b>165</b>
General Considerations . . . . .	165
Radiological Findings of the Extractive Treatments . . . . .	165
Effects of the Endodontic Therapy . . . . .	167
Irregular and Incomplete Canal Filling . . . . .	167
Overfilling of the Radicular Canal. . . . .	168
False Routes. . . . .	169
OPT in the Postimplantation Evaluation. . . . .	169
Topographic Subdivision of the Maxillary in Implantation Perspective. . . . .	170
Different Typologies of Implantation Devices . . . . .	170
Osseous Integration . . . . .	171
Image Gallery . . . . .	175
Suggested Reading . . . . .	198
<b>Index. . . . .</b>	<b>199</b>

Orthopantomography

Pandolfo, I.; Mazziotti, S.

2013, VII, 202 p. 252 illus., 35 illus. in color., Hardcover

ISBN: 978-88-470-5288-8
