

Contents

Introduction	ix
1 Primary and Motile Cilia: Their Ultrastructure and Ciliogenesis	1
Sigrid Hoyer-Fender	
2 Primary Cilia, Sonic Hedgehog Signaling, and Spinal Cord Development.....	55
Laura E. Mariani and Tamara Caspary	
3 Primary Cilia and Brain Development.....	83
Evangelia Tasouri, Marc August Willaredt, and Kerry L. Tucker	
4 Primary Cilia in Cerebral Cortex: Growth and Functions on Neuronal and Non-neuronal Cells.....	105
Matthew R. Sarkisian, Jon I. Arellano, and Joshua J. Breunig	
5 Primary Cilia and Inner Ear Sensory Epithelia.....	131
Cynthia M. Grimsley-Myers and Ping Chen	
6 Neuronal Cilia and Obesity	165
Nicolas F. Berbari, Raymond C. Pasek, and Bradley K. Yoder	
7 Motile Cilia and Brain Function: Ependymal Motile Cilia Development, Organization, Function and Their Associated Pathologies	193
Nathalie Spassky	
8 Primary Cilia and Brain Cancer.....	209
Shirui Hou and Young-Goo Han	
9 Abnormalities of the Central Nervous System Across the Ciliopathy Spectrum	229
Kate Baker and Philip L. Beales	
Index.....	275

Cilia and Nervous System Development and Function

Tucker, K.L.; Caspary, T. (Eds.)

2013, XIV, 278 p.,

ISBN: 978-94-007-5808-7
