
Contents

1 The General Principles of Patient Positioning and Setup	1
G. Demey and Robert A. Magnussen	
2 Arthroscopy of the Knee	3
P. Archbold, L.N. Favaro Lourenço Francisco, R. Kancelskis Prado, and Robert A. Magnussen	
3 Meniscectomy	17
P. Archbold, L.N. Favaro Lourenço Francisco, R. Kancelskis Prado, and Robert A. Magnussen	
4 Meniscal Sutures	23
Maad F. AlSaati, Stephen R. Thompson, R. Desmarchelier, and G. Demey	
5 Anterior Cruciate Ligament Reconstruction: Surgical Technique	31
Robert A. Magnussen, M. Ozturk, and G. Demey	
6 Revision Anterior Cruciate Ligament Reconstruction.	63
Robert A. Magnussen and G. Demey	
7 Surgical Technique for the Arthroscopic Reconstruction of the Posterior Cruciate Ligament	81
E. Servien, G. Demey, and Robert A. Magnussen	
8 Posterolateral Corner and Lateral Collateral Ligament Reconstruction.	93
E. Servien and Robert A. Magnussen	
9 Dislocations and Bicurciate Lesions.	101
S. Lustig and Robert A. Magnussen	
10 Synovectomies of the Knee	107
P. Archbold and A. Pinaroli	
11 Surgical Management of Chondral and Osteochondral Lesions.	119
P. Archbold, T. Aït Si Selmi, and C. Bussière	
12 Iliotibial Band Syndrome	127
P. Archbold and G. Mezzadri	
13 Surgical Indications in the Treatment of Osteoarthritis	131
P. Archbold and J.L. Paillot	
14 Osteotomy: General Concepts and Indications.	139
P. Archbold and J.L. Paillot	
15 Distal Opening Wedge Femoral Osteotomy for the Treatment of a Valgus Deformity	143
P. Verdonk and Robert A. Magnussen	

16 High Tibial Osteotomy	149
R. Debarge, F. Trouillet, G. Demey, and Robert A. Magnussen	
17 High Tibial Varus Osteotomy	163
R. Debarge and P. Archbold	
18 Anterior Opening Wedge Osteotomy of the Tibia for the Treatment of Genu Recurvatum	169
R. Debarge and P. Archbold	
19 Surgical Technique for a Double Osteotomy	175
P. Archbold, P. Verdonk, and E. Servien	
20 Lateral Opening Wedge Tibial Osteotomy	181
S. Lustig, Maad F. AlSaati, and Robert A. Magnussen	
21 Patellofemoral Arthritis and the Lateral Vertical Partial Patellectomy	189
S. Lustig, L.N. Favaro Lourenço Francisco, and Robert A. Magnussen	
22 Unicompartamental Knee Arthroplasty	197
S. Lustig, A. Daher, and Robert A. Magnussen	
23 Unicompartamental Knee Arthroplasty (UKA) After Unicompartamental Knee Arthroplasty (UKA) to the Other Compartments	211
Maad F. AlSaati, S. Lustig, and Robert A. Magnussen	
24 Total Knee Replacement in Medial Arthritis: Surgical Technique	221
G. Demey and Robert A. Magnussen	
25 Total Knee Replacement in Lateral Arthritis Specifics and Surgical Techniques	245
P. Archbold, J. Pernin, and G. Demey	
26 Computer-Assisted Total Knee Arthroplasty	253
S. Lustig, R. Badet, and Maad F. AlSaati	
27 Total Knee Prosthesis After Valgus Osteotomy of the Tibia	263
G. Demey and H. Hobbs	
28 Revision Unicompartamental Knee Arthroplasty	271
G. Demey and Robert A. Magnussen	
29 Revision Total Knee Arthroplasty: Planning and Technical Considerations	291
S. Lustig and Robert A. Magnussen	
30 Episodic Patellar Dislocation	305
E. Servien and P. Archbold	
31 Deepening Femoral Trochleoplasty	327
E. Servien and P. Archbold	
32 Shortening the Patellar Tendon	333
E. Servien and P. Archbold	
33 Acute Ruptures of the Quadriceps and Patellar Tendons	337
G. Demey and Robert A. Magnussen	
34 Chronic Rupture of the Extensor Apparatus	351
G. Demey and Robert A. Magnussen	

35 Patellar Fractures	373
G. Demey and Robert A. Magnussen	
36 Surgical Management of the Stiff Knee	381
P. Archbold and R. Debarge	
37 Lengthening of the Patellar Tendon	395
G. Demey and P. Archbold	
38 Stiffness of the Knee: Release According to Judet	403
H. Hobbs, J. Bruderer, and G. Demey	
39 Postoperative Complications	409
G. Demey and Robert A. Magnussen	
Index	411

Surgery of the Knee

Neyret, P.; Demey, G. (Eds.)

2014, IX, 419 p. 686 illus., 588 illus. in color., Hardcover
