# Contents

**1 Human Cancer Virology: An Historical Review** ..... 1
S. David Hudnall

**2 Epstein–Barr Virus: Pathogenesis and Host Immune Response** ..... 7
S. David Hudnall

**3 Epstein–Barr Virus: Epidemiology and Clinical Features of Related Cancer** ..... 25
S. David Hudnall

**4 Hepatitis C Virus: Pathogenesis and Host Immune Response** ..... 51
Albert Ndzengue and Lewis R. Roberts

**5 Hepatitis C Virus: Epidemiology and Clinical Features of Related Cancer** ..... 87
Albert Ndzengue, Tae Hyo Kim, Abdirashid M. Shire, and Lewis R. Roberts

**6 Hepatitis B Virus: Pathogenesis and Host Immune Response** ..... 113
Hung-Chih Yang, Shiou-Hwei Yeh, Pei-Jer Chen, and Ding-Shinn Chen

**7 Hepatitis B Virus: Epidemiology and Clinical Features of Related Cancer** ..... 133
Michael C. Kew

**8 Human Papillomavirus: Pathogenesis and Host Immune Response** ..... 167
Jennifer M. Spangle, Alyce A. Chen, and Karl Munger

**9 Human Papillomavirus: Epidemiology and Clinical Features of Related Cancer** ..... 199
Tiffany T. Mayo, Rasheen Imtiaz, Hung Quoc Doan, Brittany L. Sambrano, Rachel Gordon, Marigdalia K. Ramirez-Fort, and Stephen K. Tyring

**10 Human T-Cell Leukemia Virus Type 1: Pathogenesis and Host Immune Response** ..... 229
Jun-ichirou Yasunaga and Masao Matsuoka

**11 Human T-Cell Leukemia Virus Type 1: Epidemiology and Clinical Features of Related Cancer** ..... 263
Koichi Ohshima

**12 Kaposi's Sarcoma-Associated Herpesvirus: Pathogenesis and Host Immune Response** ..... 289
Louise Giffin, Penny Anders, and Blossom Damania

**13 Kaposi's Sarcoma-Associated Herpesvirus: Epidemiology and Clinical Features of Related Cancer** ..... 323
Nazzarena Labo and Denise Whitby

**14 Merkel Cell Polyomavirus: Pathogenesis and Host Immune Response** ..... 341
Flore Rozenberg

**15 Merkel Cell Polyomavirus: Epidemiology and Clinical Features of Related Cancer** ..... 357
Helena Faust and Joakim Dillner

**Appendix: Pathology of Virus-Associated Tumors** ..... 369

**Index** ..... 379
