The Corona Problem

Connections Between Operator Theory, Function  
Theory, and Geometry

Douglas, R.G.; Krantz, S.G.; Sawyer, E.T.; Treil, S.; Wick,  
B.D. (Eds.)

2014, VIII, 231 p. 5 illus., 3 illus. in color., Hardcover

ISBN: 978-1-4939-1254-4
