1	Introduction	1
1.1	Context	1
1.2	Thesis Aim and Objectives	3
1.3	Thesis Structure	6
	References	8
2	Land Fragmentation	11
2.1	Introduction	11
2.2	Land Fragmentation Review	11
2.2.1	Definitions	11
2.2.2	Problems Associated with Fragmentation	13
2.2.3	Causes	14
2.2.4	Disadvantages and Advantages	15
2.2.5	Indicators	16
2.3	Policies to Control Land Fragmentation	18
2.4	The Extent of the Problem at the Global and EU Level	20
2.4.1	Land Fragmentation at a Global Level	20
2.4.2	Land Fragmentation in the European Union	22
2.5	Land Tenure in Cyprus and its Problems	24
2.5.1	Historical Evolution of the Cypriot Land Tenure System	24
2.5.2	Causes of Land Fragmentation	26
2.5.3	Land Tenure Trends	27
2.5.4	Land Tenure Problems	29
2.6	Conclusions	33
	References	33
3	Land Consolidation	39
3.1	Introduction	39
3.2	Land Consolidation Review	39
3.2.1	Historical Evolution	39
3.2.2	Definitions and Principles	41
3.2.3	Objectives of Modern Land Consolidation	42
3.2.4	Advantages and Disadvantages	43

3.2.5	Types and Implementation Approaches	45
3.3	Land Consolidation Procedure	47
3.3.1	Stages	47
3.3.2	Decision for Project Implementation	47
3.3.3	Administrative and Executive Organisation	48
3.3.4	Public Participation	49
3.3.5	Land Valuation	50
3.4	Land Consolidation in the Context of EU and FAO Policies	51
3.4.1	The Extent of Implementation	51
3.4.2	The Role of Land Consolidation in EU Policies	52
3.4.3	FAO Support to Land Consolidation	53
3.5	Land Consolidation in Cyprus	54
3.5.1	Aims and Available Measures	54
3.5.2	Execution Organisations	56
3.5.3	Procedure	58
3.5.4	Projects Outputs	58
3.5.5	Problems and Recommendations	60
3.6	Conclusions	62
	References	63
