

Contents

- 1 Introduction 1**
 - 1.1 Motivation 1
 - 1.2 Research Questions 3
 - 1.3 Book Structure 4
- 2 Research Background 7**
 - 2.1 Compliance Management and Regulatory Requirements. 7
 - 2.2 Regulatory Environment of Banks 9
 - 2.2.1 Regulatory Business Process Requirements 9
 - 2.2.2 Supervisory Reporting Requirements 10
 - 2.3 Business Process Modeling. 12
 - 2.4 Business Process Compliance Analysis 13
 - 2.4.1 Requirements for Compliance Checking Approaches. 14
 - 2.4.2 Design-Time Compliance Checking 14
 - 2.4.3 Run-Time Compliance Checking Approaches. 16
 - 2.4.4 Backward Compliance Checking. 16
 - 2.5 Data Warehouse Development 17
 - 2.5.1 Data Warehouse Concepts 17
 - 2.5.2 Data Warehouse Development Process 18
 - 2.6 Multisensory Law and Legal Visualization 20
 - 2.7 Regulatory Requirements Engineering 21
- 3 Research Design. 23**
 - 3.1 Design Science Research 23
 - 3.2 Complementary Research Methods 25
 - 3.3 Research Process and Outcome 28
 - 3.3.1 Compliance Management and Information Systems. 28
 - 3.3.2 Business Process Compliance 28
 - 3.3.3 Reporting Compliance 29
 - 3.3.4 Collaboration of IS and Legal Experts. 29

4	Research Results	31
4.1	Compliance Management and Information Systems	31
4.1.1	Framework for Model-Based Compliance Management	33
4.2	Business Process Compliance	34
4.2.1	State-of-the-Art	35
4.2.2	Model-Based Business Process Compliance Analysis Approach	37
4.2.3	Evaluation Method for Business Process Compliance Analysis Approaches	44
4.2.4	Relevance and Acceptance of the Developed Compliance Checking Approach	46
4.3	Reporting Compliance	49
4.3.1	Challenges of Regulatory Reporting Requirements for Conceptual Modeling	50
4.3.2	Development of a Modeling Technique for Regulatory Reporting Requirements	52
4.3.3	Modeling Tool for Regulatory Reporting Requirements	60
4.3.4	Application	64
4.4	Collaboration of IS Experts and Legal Experts	67
4.4.1	Relationship of IS and Law from a Practical Perspective	68
4.4.2	Relationship of IS and Law from an IS Research Perspective	70
4.4.3	Research Portal	72
5	Discussion and Outlook	75
5.1	Contributions to Research and Practice	75
5.1.1	Identification of the Influence of Regulation on IS Design (RQ1)	75
5.1.2	Improving the Efficiency and Effectiveness of Business Process Compliance Checking (RQ2)	77
5.1.3	Improving the Effectiveness and Efficiency of Conceptualizing Regulatory Reporting Requirements (RQ3)	78
5.1.4	Conceptualizing and Supporting the Collaboration of IS and Legal Experts (RQ4)	80
5.2	Limitations	81
5.3	Outlook	82
	References	85
