
Contents

Part I Theoretical Contribution: Transport Main Issues

- | | | |
|----------|---|-----------|
| 1 | Passenger Mobility: New Trends | 3 |
| | Maurizio Arnone, Tiziana Delmastro and Letizia Saporito | |
| 2 | Freight Transport: Main Issues | 17 |
| | Gerard de Jong and Eric Kroes | |
| 3 | The Evolution of Maritime Container Transportation | 33 |
| | Bruno Musso | |

Part II Theoretical Contribution: Integrated Strategies, Governance and Decision-Making Processes

- | | | |
|----------|--|------------|
| 4 | Sectoral Drawbacks in Transport: Towards a New Analytical Framework on European Transport Corridors | 47 |
| | Patrick Witte and Tejo Spit | |
| 5 | Integrated Spatial and Infrastructural Development: The Need for Adequate Methods and Spatial Strategies for Collaborative Action and Decision-Making | 63 |
| | Bernd Scholl | |
| 6 | Evaluation Tools to Support Decision-Making Process Related to European Corridors | 85 |
| | Isabella M. Lami | |
| 7 | Transport Policy and Regional Development: The Economic Impact of Regional Accessibility on Economic Sectors | 103 |
| | Hansjörg Drewello | |

Part III Theoretical Contribution: Assessment Models and Evaluation Frameworks

8	Discrete Choice Analysis.	121
	Gerard de Jong and Eric Kroes	
9	Collaborative Assessment Processes.	143
	Ilaria Tosoni and Felix Günther	
10	Visualisation: An Approach to Knowledge Building.	159
	Elena Masala and Stefano Pensa	

Part IV Case Studies

11	An Integrated Approach for Supporting the Evaluation of Transport Scenarios: The Area of Bellinzona (CH)	177
	Francesca Abastante, Marta Bottero, Felix Günther, Isabella M. Lami, Elena Masala, Stefano Pensa and Ilaria Tosoni	
12	Analytic Network Process, Interactive Maps and Strategic Assessment: The Evaluation of Corridor24 Alternative Development Strategies.	205
	Francesca Abastante, Felix Günther, Isabella M. Lami, Elena Masala, Stefano Pensa and Ilaria Tosoni	
13	A Conjoint Analysis Exercise to Assess Quality Attributes in Freight Transport: Outcomes from a Survey Among Logistics Managers of Manufacturing Firms in North West Italy	233
	Maurizio Arnone, Gerard de Jong, Tiziana Delmastro, Agnese Giverso and Domenico Inaudi	

Analytical Decision-Making Methods for Evaluating
Sustainable Transport in European Corridors

Lami, I.M. (Ed.)

2014, XXVII, 269 p. 87 illus., 50 illus. in color., Softcover
