

Contents

1	Introduction	1
1.1	Background and Practical Relevance	1
1.2	Key Research Topics and Outline of the Thesis	3
	References	4
2	Conceptual Framework	7
2.1	Pricing Strategies and Definitions of Price Promotions	7
2.1.1	Definition of (Traditional) Price Promotions	8
2.1.2	Definition of Uniform Across the Board Promotions (UABPs)	9
2.2	Theoretical Background	10
2.2.1	Prospect Theory and Reference Price Concept	11
2.2.2	Price Search and Search Costs	12
2.2.3	Behavioral Learning Theory	14
2.2.4	Attribution Theory	15
2.3	Literature Review Related to the Impact of UABPs	16
2.3.1	Short-Term Sales Impact of Price Promotions	16
2.3.2	Permanent/Long-Term Effects of Price Promotions	24
2.3.3	Summary of Theoretical Background and Literature Review and Outlook of Research Contribution	28
	References	29
3	Impact of Uniform Across the Board Promotions on Short-Term Store Revenues	35
3.1	Introduction and Context to Short-Term Effects of UABPs	35
3.2	Conceptual Framework	36
3.2.1	Definition and Characteristics of Uniform Across the Board Promotions	36
3.2.2	Introduction of Store Level Antecedents	38
3.3	Method	39
3.3.1	Store-Level Promotional Data for Short-Term UABP Impact	39

3.3.2	Methodology to Analyze Short-Term Promotional Impact	40
3.3.3	Hierarchical Bayes Model	41
3.3.4	Model Variables	43
3.4	Empirical Results	45
3.4.1	Empirical Results: Short Term Performance Outcomes	45
3.4.2	Empirical Results: Store Level Antecedents	46
3.4.3	Comparison of Store Level Antecedents to Other Promotion Types	48
3.5	Summary and Discussion	49
3.5.1	Academic Implications from Short-Term Effects UABPs	50
3.5.2	Retailer Implications from Uniform Across the Board Promotions	52
	References	53
4	Adjustment and Permanent Effects of Uniform Across the Board Promotions	55
4.1	Introduction to Adjustment and Permanent Effects of UABPs	55
4.2	Conceptual Framework	56
4.2.1	Definitions of Relevant Concepts When Discussing Adjustment and Permanent Effects	57
4.2.2	Hypothesis Regarding the Adjustment and Permanent Effects of UABPs	58
4.3	Method	60
4.3.1	Store-Level Data to Analyze Adjustment and Permanent Effects	60
4.3.2	Methodology to Analyze Adjustment and Permanent UABP Effects	60
4.4	Empirical Results	64
4.5	Summary and Discussion	67
4.5.1	Academic Implications	67
4.5.2	Retailer Implications from Long-Term Effects of Uniform Across the Board Promotions	70
	References	71
5	UABPs: Antecedents and Consequences on a Household Level	73
5.1	Introduction and Context to UABP Antecedents and Consequences on a Household Level	73
5.2	Conceptual Framework: Antecedents and Consequences	74
5.2.1	Consequences of UABPs	78
5.3	Method	80
5.3.1	Household Level Survey and Transaction Data	80
5.3.2	Methodology to Analyze Antecedents and Consequences: CFA and SEM	81

5.4	Empirical Results	83
5.4.1	Results Regarding the Antecedents of UABPs	83
5.4.2	Results Regarding the Consequences of UABPs	85
5.5	Summary and Discussion	86
5.5.1	Academic Implications	86
5.5.2	Retailer Implications from Long-Term Effects of Uniform Across the Board Promotions	87
	References	88
6	Summary of Results	91
6.1	Summary and Discussion of Results	92
6.2	Managerial Implications	94
	References	95
	Appendix A: De-seasonalizing and De-trending of Sales	97
	Appendix B: Survey Results (Antecedents and Consequences of UABPs)	99
