

Contents

1	Early Influences and Career Evolution	1
1.1	Introduction	1
1.2	Influences and Career Evolution	3
1.2.1	Finding a Disciplinary Home	6
1.2.2	Employment and Progression	8
1.3	Developing a Research Focus and Expertise	24
1.3.1	Research Interests	24
1.4	Early Influences and Career Evolution: A Conclusion	29
	References	32
2	Geo-hazards Science and Management	39
2.1	Introduction	39
2.2	Geo-hazards Science and Management in Iraq	40
2.3	Geo-hazards Science and Management in the UK	42
2.4	Geo-hazards Science and Management in Malaysia	44
2.5	Geo-hazards Science and Management in the Caribbean	48
2.5.1	Landslides	48
2.5.2	Floods	51
2.6	Geo-hazards Science and Management in Australia	63
2.7	Geo-hazards Science and Management: A Conclusion	66
	References	68
3	Water Resources Science and Management	73
3.1	Introduction	73
3.2	Water Resource Science and Management in the UK	73
3.2.1	Rivers and Lakes	74
3.2.2	Coastal/Marine	83
3.3	Water Resource Science and Management in Malaysia	83
3.4	Water Resource Science and Management in the Middle East	86
3.4.1	Tunisia	87
3.4.2	Jordan	88
3.4.3	Iraq	93
3.5	Water Resource Science and Management in the Caribbean	97

3.6	Water Resource Science and Management in Australia	100
3.7	Water Resource Science and Management: A Conclusion	101
	References	102
4	Land Use/Cover, Agriculture and Biodiversity Research	107
4.1	Introduction	107
4.2	Land Use/Cover, Agriculture and Biodiversity Research in the UK	108
4.3	Land Use/Cover, Agriculture and Biodiversity Research in the Middle East	109
4.3.1	Jordan	109
4.3.2	Tunisia	112
4.3.3	Iraq	113
4.3.4	What Is Needed?	115
4.3.5	Planning for a Sustainable Future	117
4.3.6	Tangible Outcomes from the Road map	122
4.3.7	Research Needs	124
4.4	Land Use/Cover, Agriculture and Biodiversity Research in Malaysia	126
4.5	Land Use/Cover, Agriculture and Biodiversity Research in the Caribbean	131
4.6	Land Use/Cover, Agriculture and Biodiversity Research in Australia	135
4.7	Land Use/Cover, Agriculture and Biodiversity Research: A Conclusion	137
	References	139
5	Suitability Science and Management	143
5.1	Introduction	143
5.2	Suitability Science and Management in the UK	144
5.2.1	Selecting Potential Landfill Sites	144
5.2.2	Locating Wind Farms	145
5.3	Suitability Science and Management in Malaysia	147
5.3.1	Locating Reservoirs Sites	147
5.3.2	Identifying Optimum Pipeline Pathways	149
5.4	Suitability Science and Management in the Caribbean	152
5.4.1	Locating Wind Farms	152
5.4.2	Locating Landfill Sites	153
5.4.3	Locating Flood Prone Areas	154
5.4.4	Locating Critical Slopes	156
5.4.5	Locating Suitable Agricultural Land	157
5.5	Suitability Science and Management in Australia	159
5.5.1	Locating and Managing Vulnerable Areas to Coastal Erosion	159
5.6	Suitability Science and Management: A Conclusion	164
	References	165

6	Sustainable Development Science and Management	167
6.1	Introduction	167
6.2	General Enabling Research	168
6.2.1	Information Poverty	168
6.2.2	Metadata	169
6.3	Sustainable Development Science and Management in the UK	169
6.3.1	Environmental Management	169
6.3.2	Water Resources Management	170
6.4	Sustainable Development Science and Management in the Middle East	175
6.4.1	Jordan	175
6.4.2	Environmental Management	176
6.4.3	Sustainable Development	177
6.5	Tunisia	180
6.5.1	Environmental Management	180
6.6	Sustainable Development	180
6.6.1	Environmental Management	182
6.6.2	Sustainable Development	183
6.7	Sustainable Development Science and Management in Malaysia	184
6.7.1	Environmental Management	184
6.8	Sustainable Development Science and Management in the Caribbean	186
6.8.1	Environmental Management	186
6.8.2	Sustainable Development	189
6.9	Sustainable Development Science and Management in Australia	190
6.9.1	Environmental Management	190
6.10	Sustainable Development Science and Management: A Conclusion	192
	References	193
7	Higher Education and University Governance	199
7.1	Introduction	199
7.2	Higher Education and University Governance in the UK	200
7.3	Higher Education and University Governance in the Caribbean	206
7.4	Higher Education and University Governance in Australia	212
7.5	Higher Education and University Governance in Kurdistan Region, Iraq	214
7.6	Higher Education and University Governance: A Conclusion	221
