## Part I Staging of Rectal Cancer

<b>Imaging Assessment of Early Rectal Cancer</b> . . . . .	3
Jo Waage, Fiona Taylor, James Read and Gina Brown	
<b>Predicting Lymph Node Metastases in pT1 Rectal Cancer</b> . . . . .	15
S. L. Bosch and I. D. Nagtegaal	

## Part II Treatment of Early Rectal Cancer

<b>Endoscopic Resection: When Is EMR/ESD Sufficient?</b> . . . . .	25
H. Messmann	
<b>Transanal Endoscopic Microsurgery</b> . . . . .	31
Chris Cunningham	

## Part III Surgical Treatment of Rectal Cancer

<b>What Is “Good Quality” in Rectal Cancer Surgery?</b>	
<b>The Pathologist’s Perspective</b> . . . . .	41
S. L. Bosch and I. D. Nagtegaal	
<b>Total Mesorectal Excision: Open, Laparoscopic or Robotic</b> . . . . .	47
Monica Young and Alessio Pigazzi	
<b>Ultra Low Resection Versus Abdomino-Perineal Excision</b>	
<b>in Low Rectal Cancer</b> . . . . .	57
Torbjörn Holm	

<b>T4 Rectal Cancer: Do We Always Need an Exenteration? . . . . .</b>	<b>69</b>
Thomas A. Vermeer, Miranda Kusters and Harm J. T. Rutten	
<b>Do T3 Rectal Cancers Always Need Radiochemotherapy? . . . . .</b>	<b>95</b>
Rob Glynn-Jones	
<b>Quality of Life After Surgery for Rectal Cancer. . . . .</b>	<b>117</b>
Teresa Gavaruzzi, Francesca Giandomenico, Paola Del Bianco, Lorella Lotto, Alessandro Perin and Salvatore Pucciarelli	
 <b>Part IV Combined Modality Therapy in Rectal Cancer</b>	
<b>Aims of Combined Modality Therapy in Rectal Cancer (M0) . . . . .</b>	<b>153</b>
J. P. Gerard, K. Benezery, J. Doyen and E. Francois	
<b>Neoadjuvant Radiotherapy (5 × 5 Gy): Immediate Versus Delayed Surgery . . . . .</b>	<b>171</b>
Krzysztof Bujko, Maciej Partycki and Lucyna Pietrzak	
<b>Early and Late Toxicity of Radiotherapy for Rectal Cancer . . . . .</b>	<b>189</b>
Ines Joye and Karin Haustermans	
<b>Immediate Surgery or Clinical Follow-Up After a Complete Clinical Response? . . . . .</b>	<b>203</b>
Angelita Habr-Gama and Rodrigo Oliva Perez	
 <b>Part V Rectal Cancer with Synchronous Liver Metastases</b>	
<b>Limits of Colorectal Liver Metastases Resectability: How and Why to Overcome Them? . . . . .</b>	<b>213</b>
Serge Evrard	
<b>Rectal Cancer with Synchronous Liver Metastases: Leave It All in? When (not) to Resect the Primary? . . . . .</b>	<b>231</b>
Florian Lordick	
<b>Recurrence Patterns After Resection of Liver Metastases from Colorectal Cancer. . . . .</b>	<b>243</b>
Halfdan Sorbye	

Early Gastrointestinal Cancers II: Rectal Cancer

Otto, F.; Lutz, M.P. (Eds.)

2014, VIII, 252 p. 33 illus., 15 illus. in color., Hardcover

ISBN: 978-3-319-08059-8
