

Contents

1	Introduction	1
1.1	Background	1
1.2	Theoretical Framework of the Study	3
1.3	Research Objectives	4
1.4	Research Methods	5
1.5	Main Contents of Each Chapter	5
	References	6
2	Literature Review	9
2.1	What Are Social Media?	9
2.2	Social Media and Their Penetration in China	10
2.2.1	Instant Messaging (IM)	10
2.2.2	Social Network Sites (SNS)	11
2.2.3	Blogs	11
2.2.4	Microblogs	12
2.3	Uses and Gratifications	13
2.3.1	History	13
2.3.2	U&G Studies on IM	15
2.3.3	U&G Studies on SNS	16
2.3.4	U&G Studies on Blogs	17
2.3.5	U&G Studies on Microblogs	18
2.4	Internet Addiction and Social Media Addiction	19
2.4.1	Internet Addiction	19
2.4.2	Internet Addiction Among Adolescents	20
2.4.3	Social Media Addiction	22
2.4.4	Parents' Role in Adolescents' Internet Addiction	24
2.5	Sociopsychological Traits	25
2.5.1	Need for Affiliation	25
2.5.2	Impression Management	27
2.5.3	Narcissism	29
2.5.4	Leisure Boredom	30

2.6	Impact	32
2.6.1	Academic Performance and Internet/Social Media Use.....	32
2.6.2	Social Capital.....	34
	References.....	37
3	Research Methods	47
3.1	Data Collection Procedure.....	47
3.2	Questionnaire Survey.....	48
3.2.1	Survey Participants	48
3.2.2	Urban Chinese Cities for the Study	49
3.2.3	Pilot Tests.....	49
3.2.4	Sampling Procedure.....	49
3.2.5	Final Sample Profiles.....	51
3.2.6	Measures	51
3.2.7	Analytical Procedure	60
3.3	Focus Groups	61
3.4	In-Depth Interviews	62
	References.....	62
4	Uses, Gratifications, and Addiction of Social Media.....	65
4.1	Social Media Penetrations Among Adolescents in Urban China.....	65
4.2	Adolescent Gratifications-Obtained from Social Media.....	67
4.3	Severity of Social Media Addiction Among Adolescents	70
4.4	Social Media Addiction Symptoms Among Adolescents	71
4.5	Linking Gratifications-Obtained to Level of Social Media Use.....	73
4.6	Linking Social Media Addiction to Level of Use and Gratifications-Obtained.....	74
4.7	Linking Social Media Addiction to Parental Control	75
	References.....	76
5	Social Media Addiction and Sociopsychological Traits	77
5.1	Effects of Need for Affiliation	77
5.2	Impression Management Tactics in Social Media	78
5.3	Effects of Impression Management	80
5.4	Effects of Narcissism	81
5.5	Effects of Leisure Boredom	82
5.6	Predicting Social Media Gratifications	84
5.7	Predicting the Level of Social Media Use	87
5.8	Profiles of Social Media Addicts	89
5.9	Predicting Social Media Addiction and Symptoms.....	90
5.10	Mediating Role of Social Media Gratifications	95
5.10.1	Gratifications as Mediators Between Need for Affiliation and Social Media Addiction	96
5.10.2	Gratifications as Mediators Between Narcissism and Social Media Addiction	98
	References.....	102

6 Social Media Addiction, Academic Performance, and Social Capital.....	103
6.1 Linking Social Media Addiction to Academic Performance	103
6.2 Predicting Adolescent Academic Performance: A Gender Comparison.....	104
6.3 Linking Social Media Addiction to Social Capital	106
6.4 Predicting Social Capital of Adolescents: A Gender Comparison.....	107
References.....	112
7 Beyond the Survey: What Parents and Teachers Said.....	113
7.1 Social Media Addiction: At Home.....	113
7.2 Social Media Addiction: At School	116
7.3 Impact of Social Media on Adolescents' Academic Performance	118
7.3.1 Pessimistic Views.....	119
7.3.2 Optimistic Views.....	120
7.3.3 Neutral Views.....	120
7.4 Impact of Social Media on Adolescents' Social Capital.....	121
7.4.1 Optimistic Views.....	121
7.4.2 Pessimistic Views.....	122
7.4.3 Neutral Views.....	122
Reference	123
8 Discussion and Conclusions	125
8.1 Social Media Addiction Among Adolescents in Urban China	126
8.1.1 Severity of Social Media Addiction	126
8.1.2 Social Media Addiction Symptoms	126
8.1.3 Sociopsychological Antecedents of Social Media Addiction.....	127
8.1.4 Gratifications and Social Media Addiction	130
8.1.5 Social Media Addiction, Academic Performance, and Social Capital	131
8.1.6 Coping with Adolescents' Social Media Addiction.....	133
8.2 Implications.....	134
8.2.1 Theoretical Implications.....	134
8.2.2 Practical Implications: To Parents.....	135
8.2.3 Practical Implications: To Educators.....	137
8.3 Limitations and Suggestions for Future Research	138
References.....	140

Social Media Generation in Urban China
A Study of Social Media Use and Addiction among
Adolescents

Huang, H.

2014, XVIII, 143 p. 5 illus., Hardcover

ISBN: 978-3-642-45440-0
