5.7.2	Discussion—The Effects of Organisational Capabilities on Dynamic Capabilities	273
5.7.3	Discussion—The Mediating Effects of Integrative Capability on the Relationship Between Organisational Capabilities and Dynamic Capabilities	277
5.8	The Mediating Role of Relational Capabilities in the Relationship Between Organisational Capabilities, Firm Performance and New Capabilities	278
5.8.1	Structural Equation Modelling—Organisational Capabilities, Relational Capabilities, Firm Performance and New Capabilities	278
5.8.2	Discussion—The Effects of Organisational Capabilities on Relational Capabilities, Firm Performance and New Capabilities	278
5.8.3	Discussion—The Mediating Effects of Relational Capabilities on the Relationship Between Organisational Capabilities, Firm Performance and New Capabilities	282
5.9	The Mediating Role of Relational Capabilities in the Relationship Between Organisational Capabilities and Dynamic Capabilities	283
5.9.1	Structural Equation Modelling—Organisational Capabilities, Relational Capabilities and Dynamic Capabilities	284
5.9.2	Discussion—The Effects of Organisational Capabilities on Relational Capabilities and Dynamic Capabilities	284
5.9.3	Discussion—The Mediating Effects of Relational Capabilities on the Relationship Between Organisational Capabilities and Dynamic Capabilities	288
5.10	Introduction	289
5.11	The Mediating Role of Dynamic Capabilities in the Relationship Between Organisational Resources and Firm Performance	289
5.11.1	Structural Equation Modelling—Organisational Resources, Dynamic Capabilities and Firm Performance	289
5.11.2	Discussion—The Effects of Organisational Resources on Dynamic Capabilities and Firm Performance	290
5.11.3	Discussion—The Mediating Effects of Dynamic Capabilities on the Relationship Between Organisational Resources and Firm Performance	297

5.12	The Mediating Role of Agility in the Relationship Between Organisational Capabilities, Firm Performance and New Capabilities	298
5.12.1	Structural Equation Modelling—Organisational Capabilities, Agility and Firm Performance and New Capabilities	298
5.12.2	Discussion—The Effects of Organisational Capabilities on Agility, Firm Performance and New Capabilities	302
5.12.3	Discussion—The Mediating Effects of Agility on the Relationship Between Organisational Capabilities, Firm Performance and New Capabilities	304
5.13	The Mediating Role of Network Competence in the Relationship Between Organisational Capabilities, Firm Performance and New Capabilities	305
5.13.1	Structural Equation Modelling—Organisational Capabilities, Network Competence, Firm Performance and New Capabilities	306
5.13.2	Discussion—The Effects of Organisational Capabilities on Network Competence, Firm Performance and New Capabilities.....	306
5.13.3	Discussion—The Mediating Effects of Network Competence on the Relationship Between Organisational Capabilities, Firm Performance and New Capabilities	311
5.14	The Mediating Role of R&D Competence in the Relationship Between Organisational Capabilities, Firm Performance and New Capabilities	312
5.14.1	Structural Equation Modelling—Organisational Capabilities, R&D Competence, Firm Performance and New Capabilities	312
5.14.2	Discussion—The Effects of Organisational Capabilities on R&D Competence, Firm Performance and New Capabilities	314
5.14.3	Discussion—The Mediating Effects of R&D Competence on the Relationship Between Organisational Capabilities, Firm Performance and New Capabilities	316
5.15	The Mediating Role of Market Orientation in the Relationship Between Organisational Capabilities, Firm Performance and New Capabilities	317
5.15.1	Structural Equation Modelling—Organisational Capabilities, Market Orientation, Firm Performance and New Capabilities	317

5.15.2	Discussion—The Effects of Organisational Capabilities on Market Orientation, Firm Performance and New Capabilities	317
