2.2.2 The market of crowdfunding platforms	26
2.2.3 Crowdfunding as a source of finance	29
2.2.4 Motivational- and key success- factors influencing crowdfunding	33
2.2.5 Legal limitations of and critique on crowdfunding	37
2.3 Summary and proposition:	46
3 Methodology	49
3.1 Literature review	51

3.2	The nature of content analysis	56
3.3	E-research: The internet as object of analysis	57
3.4	Research framework.....	59
3.4.1	Data and sample	60
3.4.2	Coding manual	60
3.4.3	Anchors:	65
4	Empirical findings.....	77
4.1	Description of the sample	77
4.1.1	Excluded items	77
4.1.2	Included items	79
4.2	Summary and proposition	95
5	Conclusion and outlook.....	101
5.1	Connections between existing literature and the empirical findings	101
5.2	Strengths and weaknesses of the thesis	103
5.3	Suggestions for future research	104
5.4	Summary.....	105
6	List of references	111

Archetypes of Crowdfunding Platforms

A Multidimensional Comparison

Danmayr, F.

2014, XVIII, 117 p. 30 illus., 2 illus. in color., Softcover
