
Contents

Part I Introductory Aspects

- 1 Technological Requirements for Ultrasound-Guided Liver Surgery.** 3
Guido Torzilli, Fabio Procopio and Daniele Del Fabbro
- 2 Technical Tricks to Start Exploring the Liver with Ultrasound** 15
Guido Torzilli, Daniele Del Fabbro and Matteo Cimino
- 3 Exploring the Liver by Ultrasound Along its Anatomy . . .** 25
Guido Torzilli, Guido Costa and Florin Botea

Part II Diagnosis and Staging

- 4 Diagnosis and Staging: Intraoperative Ultrasound** 43
Guido Torzilli, Matteo Donadon and Matteo Cimino
- 5 Diagnosis and Staging: Contrast-Enhanced Intraoperative Ultrasound (CEIOUS) Using Intravascular Contrast Agents** 55
Guido Torzilli, Matteo Donadon and Guido Costa
- 6 Contrast-Enhanced Intraoperative Ultrasound Using Liver-Specific Contrast Agents** 67
Junichi Arita and Norihiro Kokudo

Part III Hepatobiliary Surgery

- 7 Planning of the Surgical Strategy** 75
Guido Torzilli, Fabio Procopio and Guido Costa
- 8 Resection Guidance** 117
Guido Torzilli, Fabio Procopio and Guido Costa

9	Intraoperative Cholangio Ultrasound in the Study of the Biliary Tree	169
	Guido Torzilli, Fabio Procopio and Angela Palmisano	

Part IV Liver Transplantation

10	Liver Transplantation from Deceased Donors	185
	Matteo Cescon, Fabio Piscaglia, Alessandro Cucchetti and Antonio Daniele Pinna	
11	Liver Transplantation from Living Donors	209
	Kiyoshi Hasegawa, Yasuhiko Sugawara and Norihiro Kokudo	

Part V Minimally Invasive Surgery and Interventional Procedures

12	Laparoscopic Ultrasound: Impact in Liver Surgery	217
	Alessandro Ferrero, Luca Viganò, Roberto Lo Tesoriere and Lorenzo Capussotti	
13	Ultrasound-Guided Intraoperative Ablation Therapies.	231
	Roberto Santambrogio, Matteo Barabino and Enrico Opocher	
14	Robotic Ultrasound-Guided Liver Resections.	249
	Alberto Patriti, Marco Carlanì and Luciano Casciola	
15	Trends and Future Prospects in the Use of Ultrasound in Liver Surgery.	267
	Guido Torzilli, Matteo Donadon and Matteo Cimino	
Index		277

Ultrasound-Guided Liver Surgery

An Atlas

TORZILLI, G. (Ed.)

2014, XVI, 280 p. 344 illus., 293 illus. in color.,

Hardcover

ISBN: 978-88-470-5509-4
