Part I Building a Casuistry for Business

1 Features and History	3
Characteristics of Case-Based Reasoning	3
History of Casuistry	8
Ancient Greek Casuistry	8
Muslim Casuistry	11
Christian Casuistry	12
2 Casuistry versus Ethical Pluralism with Applied Principles	17
Conventional Approach: Ethical Pluralism with Embedded	
Applied Principles	17
Benefits of Applied Principles Approaches	18
3 Normativity and Analogy in Casuistry	21
Normativity's Different Locations in Moral Reasoning	21
Analogy as Reasoning Process Versus Tool for Principle	
Formation and Validation	22
4 The Role of Principles in Casuistry	27
Principles and the Proper End of Ethics	27
The Place of Principles in Casuistry	29
5 Reflective Equilibrium and Casuistry	31
Reflective Equilibrium	31
Narrow Reflective Equilibrium	31
Wide Reflective Equilibrium	33
Reflective Equilibrium and Casuistry's Similarities	
and Differences	35
Similarities	35
Differences	38
Weighing the Disparities	42

6 Criticisms of Casuistry	43
Aimless and Lacking Moral Force	44
Unstructured	45
Casuistry's Logic and Dynamics	45
Conventional and Insular	47
Arbitrary Taxonomies and Paradigmatic Cases	49
The Structure and Dynamics of Casuistry's Taxonomies	49
Subjective Naming of Paradigm Cases	50
From Paradigm to Marginal Case: The Ford Pinto Case	51
Lax and Prone to Equivocation	53
A) Catholic Concerns with Casuistic Caginess: Blaise Pascal versus The Jesuits	53
B) Protestantism Chimes In: Concerns with Casuistry's Link to Authority	57
Equivocation in Principle-Based Methods: Bill Clinton versus the American People	58
Modern Trends Toward Other Approaches	61
The New Language of Modernity	61
The Conflation of Ethics and Law	61
7 Casuistry's Revival in Medicine and Now, Business	65
Clinical Ethics: Casuistry's Restoration Begins	65
Elsewhere: Casuistry's Revival Continues	67
Casuistry and Law, Computer Ethics, and Journalism	67
Casuistry and Business-Medicine Comparisons	67
Casuistry and Business: The Road Ahead	69

Part II Virtue Ethics in the Context of Business

8 Aristotle's Virtue Ethics	73
Background and Influence	73
General Features of Virtue Ethics	74
The Final Good End and Striving for Perfection	75
Habits that Define	77
Flow State and Flourishing in the Present	77
Moderation and the Shifting Golden Mean	78
Virtue and Personal Integration: The Competitive Runner	79
Aspiration and Nature's Limits	80
The Social Aspects of Virtue	81
Summary: General Virtue	83
Application to Business: The Tylenol Crisis and Virtue-based Management	84
The Particular Virtues	86
Prudence	86

Justice	93
Courage (Fortitude)	97
Temperance (Self-Control)	100
Other Virtues.....	102
9 Building a Virtue Theory for Business	107
Virtue's Various Expressions.....	107
Stoicism	107
Influential Moderns	108
The Virtues of Commerce of Adam Smith.....	112
Sympathy of Fellow-Feeling	113
Self-Command.....	115
Proper Wealth Acquisition Versus Greed	116
Prudence and Assiduity	117
Justice and Natural Jurisprudence	118
Universal Benevolence or Social Sympathy	119
Comparison: Smith and Aristotle on Virtue in General.....	120
Comparison: Smith and Aristotle on Particular Virtues	123
Virtues Specific to Commerce.....	127
10 Virtue Ethics' Value	131
Virtue Ethics' Strengths and Weaknesses.....	131
Strengths	131
Weaknesses	136
Part III Overlaps and Synergies of Methods	
11 The Synergy of Casuistry and Virtue Ethics	145
Casuistry and Virtue Ethics' Similarities	145
Casuistry and Virtue Ethics' Differences	149
Casuistry-Imbued Virtue Ethics Versus Virtue-Imbued Casuistry	153
Virtue-Imbued Casuistry's Synergies.....	154
Synergy of Strengths	154
Synergy of Offsetting Limitations.....	158
12 Bringing Casuistry and the Business Case Method Together	163
Casuistry and Cases in Business	163
The Business Case and Case Method.....	164
The Business Case	164
The Business Case Method	167
The Business Case Method and Casuistry Compared.....	169
Similarities.....	169
Differences.....	171
Synergies: Bringing the Methods Together.....	172
Conclusion.....	176

Part IV Using Virtue-Imbued Casuistry in Business Practice

13 Breaking Stalemates: Using the Method to Upset the Genetically Modified Foods Impasse	181
Background: Building to a Stalemate	182
Proponents' Arguments	182
Opponents' Arguments	184
Entrenching the Stalemate	187
Defusing the Stalemate	191
Limping Toward Resolution	196
14 Cases Can Caution: Polio Eradication, Risk Exposure, and the Smallpox Case as Precedence	199
Goal: Eradicating Polio	199
Smallpox: A Cautionary Tale	200
Killing a Deadly Disease	201
Systematic Destruction	202
Gone But Not Forgotten	202
An Effective Bioweapon	203
Playing Catch-Up	204
Lessons From a Near-Miss	205
Polio Eradication in Perspective	206
15 Risk Exposure: Using Cases in Strategies Involving an Aging Medication	209
Risk Exposure in an Environment of Experimentation	209
Background: Tamoxifen Therapy	210
A Therapy with Risks	211
Longstanding and Profitable	212
Assessing the Risk Exposure of an Aging Drug	214
Step One: Weighing Losses Against Profits	214
Step Two: Recognizing that Something is Missing	215
Step Three: Augmenting With Cases	216
Problems and Opportunities With Case Use in Business	218
Impediments to Case Use in Business	218
Overcoming the Impediments to Case Use in Business	220
Criticisms of Using Ethics as a Tool of Risk Management	220
Going Forward	221
16 Risk Management: Capturing the Right Situation with Prudent Case Use in Scenario-based Modeling	225
Coming Full Circle: Cases→Models→Cases	226
Sliding Toward Numbers	226
What has been Helpful and What is Missing	227

Case: Home Health Corporation	227
Background: Home Health Corporation.....	228
The Big Question: To Pay or Not to Pay for Overtime	228
The Deterministic Approach.....	229
The Upset of a New Competitor.....	230
The Stochastic Approach.....	231
Strategy and Modeling	234
Strategy as a Guiding Process	234
Descriptive Modeling: A Two-dimensional Snapshot	235
Stochastic Modeling: A Three-dimensional Hologram	236
Strategic Prescience	238
The Importance of Prudence in Case Selection	239
Prudent Elders as Key to Effective Strategy	239
The Importance of Business Cases in Strategizing	239
Complications Inhibiting Case Use in Business.....	240
17 Going Forward: Developing a Workable	
Virtue-imbued Casuistry for Business	243
What has Been Done	243
What Remains to be Done.....	244
Appendix	247
References	251
Name Index	271
Subject Index	275
Business Index	281

Developing a Virtue-Imbued Casuistry for Business
Ethics
