

Contents

Part I Coastal Hazards and Beach Management-Certification Schemes

- 1 Geological Recognition of Onshore Tsunami Deposits..... 3**
Pedro J.M. Costa, César Andrade, and Sue Dawson
- 2 Advances in Beach Management in Latin America:
Overview from Certification Schemes 33**
Camilo-Mateo Botero, Allan T. Williams, and Juan Alfredo Cabrera
- 3 New Methods to Assess Fecal Contamination
in Beach Water Quality 65**
Sarva Mangala Praveena, Kwan Soo Chen,
and Sharifah Norkhadijah Syed Ismail

Part II Ocean Governance, Fisheries and Aquaculture: Advances in the Production of Marine Resources

- 4 New Approaches in Coastal and Marine Management:
Developing Frameworks of Ocean Services in Governance..... 85**
Luz Paramio, Fátima Lopes Alves, and José António Cabral Vieira
- 5 Interaction of Fisheries and Aquaculture in the Production
of Marine Resources: Advances and Perspectives in Mexico..... 111**
Roberto Pérez-Castañeda, Jesús Genaro Sánchez-Martínez,
Gabriel Aguirre-Guzmán, Jaime Luis Rábago-Castro,
and María de la Luz Vázquez-Sauceda

Part III Exploration and Management of Coastal Karst

- 6 Advances in the Exploration and Management
of Coastal Karst in the Caribbean 143**
Michael J. Lace

Part IV Coastal Marine Environmental Conflicts: Advances in Conflict Resolution

- 7 Mud Crab Culture as an Adaptive Measure for the Climatically Stressed Coastal Fisher-Folks of Bangladesh 175**
Khandaker Anisul Huq, S.M. Bazlur Rahaman,
and A.F.M. Hasanuzzaman
- 8 The Guadalquivir Estuary: A Hot Spot for Environmental and Human Conflicts 199**
Javier Ruiz, M^a José Polo, Manuel Díez-Minguito,
Gabriel Navarro, Edward P. Morris, Emma Huertas,
Isabel Caballero, Eva Contreras, and Miguel A. Losada
- 9 Shrimp Farming as a Coastal Zone Challenge in Sergipe State, Brazil: Balancing Goals of Conservation and Social Justice 233**
Juliana Schober Gonçalves Lima and Conner Bailey
- 10 Regional Environmental Assessment of Marine Aggregate Dredging Effects: The UK Approach 253**
Dafydd Lloyd Jones, Joni Backstrom, and Ian Reach

Part V Examples of Advances in Environmental Management: Analyses and Applications

- 11 Advances in Large-Scale Mudflat Surveying: The Roebuck Bay and Eighty Mile Beach, Western Australia Examples 275**
Robert J. Hickey, Grant B. Pearson, and Theunis Piersma
- 12 Sea-Level Indicators 291**
Niki Evelpidou and Paolo A. Pirazzoli
- 13 Advancement of Technology for Detecting Shoreline Changes in East Coast of India and Comparison with Prototype Behaviour 313**
Ramasamy Manivanan
- 14 Coastal Dunes: Changes of Their Perception and Environmental Management 323**
Tomasz A. Łabuz
- 15 Advances in Brine Disposal and Dispersion in the Coastal Ecosystem from Desalination Plants 411**
Ramasamy Manivanan

16	Estuaries Ecosystems Health Status – Profiling the Advancements in Metal Analysis	429
	Ahmad Zaharin Aris and Ley Juen Looi	
17	Floating Offshore Wind Farms and Their Application in Galicia (NW Spain)	455
	Laura Castro-Santos and Vicente Diaz-Casas	
	Index.....	467
