

Contents

Part I On Natural Resources and Health Management

Framework for Time Relevant Water Monitoring System	3
F.A. Katsriku, M. Wilson, G. Gyamfuah Yamoah, J-D Abdulai, B.M.A. Rahman, and K.T.V. Grattan	
Green and Distributed Architecture for Managing Big Data of Biodiversity	21
Idrissa Sarr, Hubert Naacke, Ndiouma Bame, Ibrahima Gueye, and Samba Ndiaye	
Towards an Ontology-Based Framework for Data Integration: Application to Agriculture and Health Domains in Senegal	41
Moussa Lo, Gaoussou Camara, Cheikh A.T. Niang, Seydina M. Ndiaye, and Ousmane Sall	
Information and Communication Technology: A Tool for Health Care Delivery in Nigeria	59
Peter Adebayo Idowu	

Part II On Social Networks and Economical Aspects

Community Analysis and Link Prediction in Dynamic Social Networks ..	83
Blaise Ngonmang, Emmanuel Viennet, Maurice Tchuenta, and Vanessa Kamga	
Web 2.0 Computing and Social Media as Solution Enablers for Economic Development in Africa	103
Patricia E. Nalwoga Lutu	
Electronic Commerce in Egypt	125
Sherif Kamel	

Research on ICT Development in Africa Countries Focusing on Benefits, Trends, Challenges, and Solutions	143
Agnes Owuato Odongo	
 Part III On Innovative Technologies: Focus on Embedded Systems	
The Co-design of System-on-Chip in Africa: Spotlights on Industry, Research Efforts, Trends, and Challenges	179
Manel Ammar, Mouna Baklouti, and Mohamed Abid	
New Coarse-Grained Configurable Architecture for DSP Applications ...	205
Henri Ghariani, Zied Marrakchi, Abdulfattah Obeid, Mohammed S. BenSaleh, Mohamed Abid, and Habib Mehrez	
Static and Dynamic Mapping Heuristics for Multiprocessor Systems-on-Chip	229
A.H. Benyamina, P. Boulet, and K. Benhaoua	
 Part IV On New Governance Models	
Using Mobile Phones in Elections in Developing Countries: Opportunities and Challenges	251
Rehema Baguma and Emmanuel Eilu	
e-Government Service Delivery Model (eGovSDM): Aspects of Namibia's Road-Map to Vision 2030.....	267
Mbale Jameson, Maria Ntinda, and Stefanus van Staden	

Computing in Research and Development in Africa

Benefits, Trends, Challenges and Solutions

Gamatie, A. (Ed.)
