Part I History of Geoheritage, Geoparks and Geotourism

Geoheritage and Geoparks in Africa and the Middle-East: Challenges and Perspectives	3
Ezzoura Errami, Gabi Schneider, Nasser Ennih, Hasina Nirina Randrianaly, Abderrahmane Bendaoud, Abdelmajid Noubhani, Nick Norman, Mamoon Allan, Lopo Vasconcelos, Luis Costa, Mohammed Al-Wosabi, Abdulkarim Al-Subbary, Percy Mabvuto-Ngwira, Gbenga Okunlola, Salisu Lawal Halliru, Lala Andrianaivo, Sophie Siby, Béatrice Ketchemen, Marcelle Gauly, Mohsen Hassine, Fawaz Azki, Tea Juliette, Kmar Latrache, Monica Omulo, and Peter Bobrowsky	
Geotourism and Geoparks: Africa's Current Prospects for Sustainable Rural Development and Poverty Alleviation	25
Percy Mabvuto Ngwira	
Geology: From Antiquity to Modern Day Geoheritage and Geoconservation, with Britain as a Case Study	35
M. Brocx and V. Semeniuk	

Part II History of Geoheritage, Geoparks and Geotourism: Case Studies

Geosites, Sites of Special Scientific Interest, and Potential Geoparks in the Anti-Atlas (Morocco)	57
E. Errami, M. Brocx, V. Semeniuk, and N. Ennih	
The Geoheritage of Kerdous Inlier (Western Anti-Atlas, Morocco): Pages of Earth History in an Outstanding Landscape	81
E. Druguet, A. Rahimi, J. Carreras, L.M. Castaño, and I. Sánchez-Sorribes	
Recommended Geoheritage Trails in Southern Morocco: A 3 Ga Record Between the Sahara Desert and the Atlantic Ocean	91
O. Saddiqi, E. Rjimiati, A. Michard, A. Soulaïmani, and H. Ouanaimi	
The Geoheritage of the Doukkala-Abda Region (Morocco): An Opportunity for Local Socio-Economic Sustainable Development	109
A. Enniouar, E. Errami, A. Lagnaoui, and O. Bouaala	

Late Cretaceous and Lower Paleogene Moroccan Phosphates: Geotourism Opportunities	125
Abdelmajid Noubhani	
El Kef, Conservatory of the Memory of Earth and Humans in Tunisia: A Geodiversity to Discover and a Heritage to Protect.	135
N. Ben Haj Ali, L. Memmi, and M. Ben Haj Ali	
Use of Website and GIS Databases for Enhancement of Geosites in Algeria	145
A. Bendaoud, M.C. Chabou, O. Kolli, O. Bouzidi, S. Djemaï, and H. Kaabeche	
Dinosaur Track Sites in Algeria: A Significant National Geological Heritage in Danger	157
M.C. Chabou, M.Y. Laghouag, and A. Bendaoud	
Dinosaur Footprint Sites in Arhab Area: An Aspiring Geopark in Yemen	167
M. Al-Wosabi and A.A. Al-Aydrus	
Geomorphological Features of the Manengouba Volcano (Cameroon Line): Assets for Geotourism and Other Anthropogenic Activities	183
G.T. Zangmo, A.D. Kagou, D.G. Nkouathio, P. Wandji, and M.D. Gounté	
Enhancing the Geological Heritage of the Apuan Alps Geopark (Italy)	199
A. Amorfini, A. Bartelletti, and G. Ottria	
Geoparks in China	215
Z. Zhizhong, Z. Xun, L. Changxing, Y. Xiaohong, and C. Xiaoning	
The Karst Geomorphologic Regionalization in China	233
W. Chen, Y. Zhang, H. Qin, D. Zhu, and X. Wang	
Using the Geoheritage Tool-Kit to Identify Inter-related Geological Features at Various Scales for Designating Geoparks: Case Studies from Western Australia	245
M. Brocx and V. Semeniuk	
Microscale Geology and Micropalaeontology of the Becher Point Cuspate Foreland, Australia: Significant Geoheritage Values at the Smallest Scale—A Model for Identifying Similar Features in Geosites and Geoparks	261
V. Semeniuk, C.A. Semeniuk, F. Trend, and M. Brocx	
Erratum to: The Geoheritage of Kerdous Inlier (Western Anti-Atlas, Morocco): Pages of Earth History in an Outstanding Landscape	E1
E. Druguet, A. Rahimi, J. Carreras, L.M. Castaño, and I. Sánchez-Sorribes	

From Geoheritage to Geoparks

Case Studies from Africa and Beyond

Errami, E.; Brocx, M.; Semeniuk, V. (Eds.)

2015, XII, 269 p. 216 illus., 200 illus. in color.,

Hardcover

ISBN: 978-3-319-10707-3
