## Part I What Is the Role of Geography in Health Care Reform?

<b>1</b>	<b>Health Care Reform and Disease Surveillance: Making the Connection .....</b>	<b>3</b>
1.1	Introduction .....	3
1.2	A Brief History of Health Care Reform in the United States.....	4
1.3	Role of HIEs in Population Health and Disease Management .....	7
	References.....	10
<b>2</b>	<b>The Importance of Geography in Disease Surveillance .....</b>	<b>11</b>
2.1	Introduction .....	11
2.2	A Brief History of Public Health Disease Surveillance in the United States.....	12
2.3	Geospatial Applications in Disease Surveillance: Current Opportunities and Challenges .....	15
	References.....	19

## Part II Geographies of Human Health

<b>3</b>	<b>Using Geographic Information for Disease Surveillance at Mass Gatherings .....</b>	<b>25</b>
3.1	Introduction .....	25
3.2	A Brief History of Disease Surveillance at Mass Gatherings .....	27
3.3	Important Public Health Risk Factors at Mass Gatherings.....	28
3.4	Using Geographic Intelligence to Improve Disease Surveillance at Mass Gatherings .....	30
3.4.1	Transportation and Population Geographies: Their Role in Disease Surveillance.....	30

3.4.2	Understanding Disease Ecology's Contributions to Disease Surveillance.....	31
3.4.3	GIScience and the Spatial Turn in Disease Surveillance.....	32
	References.....	34
<b>4</b>	<b>Geographical Representations of Patients and Their Health Conditions .....</b>	<b>39</b>
4.1	Introduction .....	39
4.2	Representations of Patients and Their Health Conditions .....	40
4.3	Seeing Patients and Their Health Conditions Through the "Lens" of a Landscape .....	41
4.4	Understanding Minority Populations and Hidden Conditions with Qualitative and Quantitative GIS.....	43
	References.....	44
<b>5</b>	<b>Data Privacy and Ethical Uses of Volunteered Geographic Information.....</b>	<b>49</b>
5.1	Introduction .....	49
5.2	HIPAA Legislation and Patient Privacy Protections.....	51
5.3	Legal and Ethical Issues Concerning Volunteered Geographic Information .....	53
5.4	Collaborating Towards a Solution: New Use Cases for Volunteer Geographic Information .....	57
	References.....	58
 <b>Part III Geospatial Data and Technologies</b>		
<b>6</b>	<b>Collaborative Mapping.....</b>	<b>63</b>
6.1	Introduction .....	63
6.2	Web 2.0, Web 3.0, and Mashups.....	68
6.3	Collaborative Mapping in Public Health .....	72
	References.....	73
<b>7</b>	<b>Geospatial Data Mining and Knowledge Discovery .....</b>	<b>77</b>
7.1	Introduction .....	77
7.2	Patient Protection Beyond De-identification .....	79
7.3	Exploring Geospatial Data Through Visualization .....	82
7.4	Geospatial Data Mining Applications in the Healthcare Industry .....	84
	References.....	85
 <b>Part IV Geography in Medicine</b>		
<b>8</b>	<b>Geographic Medicine.....</b>	<b>91</b>
8.1	Introduction .....	91
8.2	Importance of Human Movements in Disease Transmission .....	93

8.3	Geographic Considerations in Human Movement .....	97
8.4	Linking the Global to the Local Through Mobility .....	98
	References .....	99
<b>9</b>	<b>Geospatial Medicine</b> .....	101
9.1	Introduction .....	101
9.2	Linking the Global to the Local Through Geography .....	104
9.3	Research Programs in Geospatial Medicine .....	105
9.3.1	Center for Geospatial Medicine .....	105
9.3.2	National Children's Study .....	106
9.4	The Promising Future of Geospatial Medicine .....	107
	References .....	109
<b>10</b>	<b>A New Model</b> .....	111
10.1	Introduction .....	111
10.2	Importance of Geography in Health Care Reform .....	113
10.3	Engaging a New Model of Patient Care .....	114
10.3.1	International Organizations Use GIS to Eradicate Polio in India .....	114
10.3.2	Great Britain's National Health Service Uses Area-Based Analysis to Allocate Funds for Mental Health Services .....	118
10.3.3	Geospatial Intelligence Highlights Gaps in Patient Care in U.S. Regional Hospital Systems .....	118
10.3.4	Leveraging Knowledge of Geographic Variations to Alleviate Community-Level Emergency Room Overcrowding .....	120
10.3.5	Electronic Medical Records Incorporate Place Histories to Improve Patient Care .....	121
10.4	Concluding Remarks .....	122
	References .....	123
	<b>Index</b> .....	127

Health, Science, and Place

A New Model

Blatt, A.J.

2015, XI, 133 p. 29 illus., 28 illus. in color., Hardcover

ISBN: 978-3-319-12002-7
