## Part I Biology

|   |     |
|---|-----|
| <b>The Biology and Anatomy of <i>Limnoperna fortunei</i>, a Significant Freshwater Bioinvader: Blueprints for Success</b> .....     | 3   |
| Brian Morton  |     |
| <b>Larval Development of <i>Limnoperna fortunei</i></b> .....   | 43  |
| Daniel H. Cataldo   |     |
| <b>Parasites of <i>Limnoperna fortunei</i></b> .....  | 55  |
| Takashi Baba and Misako Urabe   |     |
| <b>The Genetics of the Golden Mussel (<i>Limnoperna fortunei</i>): Are Genes Related to Invasiveness?</b> .....                     | 67  |
| Marcela Uliano-Silva, Juliana A. Américo, Rodrigo Brindeiro, Francesco Dondero, Francisco Prosdocimi and Mauro F. Rebelo            |     |
| <b>Reproductive Output and Seasonality of <i>Limnoperna fortunei</i></b> .....  | 77  |
| Demetrio Boltovskoy, Brian Morton, Nancy Correa, Daniel Cataldo, Cristina Damborenea, Pablo E. Penchaszadeh and Francisco Sylvester |     |
| <b>Population Dynamics and Growth of <i>Limnoperna fortunei</i></b> .....   | 105 |
| Daisuke Nakano, Takuya Kobayashi and Isamu Sakaguchi  |     |
| <b><i>Limnoperna fortunei</i> Colonies: Structure, Distribution and Dynamics</b> .....  | 119 |
| Nancy Correa, Paula Sardiña, Pablo V. Perepelizin and Demetrio Boltovskoy   |     |

## Part II Ecology and Environmental Impact

|  |     |
|--|-----|
| <b>Ecology and Environmental Impact of <i>Limnoperna fortunei</i>: Introduction</b> .....                    | 147 |
| Demetrio Boltovskoy  |     |
| <b>Nutrient Recycling, Phytoplankton Grazing, and Associated Impacts of <i>Limnoperna fortunei</i></b> ..... | 153 |
| Demetrio Boltovskoy, Nancy Correa,<br>Francisco Sylvester and Daniel Cataldo                                 |     |
| <b>Impacts of <i>Limnoperna fortunei</i> on Zooplankton</b> .....  | 177 |
| Florencia Rojas Molina, Susana B. José de Paggi and Juan César Paggi   |     |
| <b>Relationships of <i>Limnoperna fortunei</i> with Benthic Animals</b> .....                                | 191 |
| Francisco Sylvester and Paula Sardiña  |     |
| <b>Trophic Relationships of <i>Limnoperna fortunei</i> with Larval Fishes</b> .....                          | 211 |
| Esteban M. Paolucci and Erik V. Thuesen  |     |
| <b>Trophic Relationships of <i>Limnoperna fortunei</i> with Adult Fishes</b> .....                           | 231 |
| Daniel Cataldo   |     |
| <b>Behavior and Taxis of Young and Adult <i>Limnoperna fortunei</i></b> .....                                | 249 |
| Keiji Iwasaki  |     |
| <b>Parallels and Contrasts Between <i>Limnoperna fortunei</i> and Species of <i>Dreissena</i></b> .....      | 261 |
| Alexander Y. Karatayev, Demetrio Boltovskoy,<br>Lyubov E. Burlakova and Dianna K. Padilla                    |     |

## Part III Distribution and Spread

|   |     |
|---|-----|
| <b>Distribution and Colonization of <i>Limnoperna fortunei</i>: Special Traits of an Odd Mussel</b> ..... | 301 |
| Demetrio Boltovskoy   |     |
| <b>Distribution and Spread of <i>Limnoperna fortunei</i> in China</b> .....                               | 313 |
| Mengzhen Xu   |     |
| <b>Colonization and Spread of <i>Limnoperna fortunei</i> in Japan</b> .....                               | 321 |
| Kenji Ito   |     |

|   |     |
|---|-----|
| <b>Colonization and Spread of <i>Limnoperna fortunei</i> in South America</b> .....   | 333 |
| Marcia D. Oliveira, Mônica C. S. Campos, Esteban M. Paolucci,<br>Maria C. D. Mansur and Stephen K. Hamilton                 |     |
| <b>Strategies and Measures to Prevent Spread of Invasive Species</b> .....  | 357 |
| Gustavo Darrigran and Cristina Damborenea   |     |
| <br><b>Part IV Impacts on Man-Made Structures and Biofouling Control</b>  |     |
| <b>Impacts of <i>Limnoperna fortunei</i> on Man-Made Structures and Control Strategies: General Overview</b> .....          | 375 |
| Demetrio Boltovskoy, Mengzhen Xu and Daisuke Nakano   |     |
| <b>Control of <i>Limnoperna fortunei</i> Fouling: Antifouling Materials and Coatings</b> .....                              | 395 |
| Kousaku Ohkawa and Takaomi Nomura   |     |
| <b>Chemical Strategies for the Control of the Golden Mussel (<i>Limnoperna fortunei</i>) in Industrial Facilities</b> ..... | 417 |
| Renata Claudi and Marcia Divina de Oliveira   |     |
| <b>Control of <i>Limnoperna fortunei</i> Fouling by Thermal Treatments</b> .....  | 443 |
| Pablo V. Perepelizin and Demetrio Boltovskoy  |     |
| <b>Control of <i>Limnoperna fortunei</i> Fouling by Oxygen Deprivation</b> .....  | 451 |
| Pablo V. Perepelizin and Demetrio Boltovskoy  |     |
| <b>Control of <i>Limnoperna fortunei</i> Fouling by Desiccation</b> .....   | 455 |
| Luciana Montalto  |     |
| <b>Alternative Strategies for Control of Golden Mussel (<i>Limnoperna fortunei</i>) in Industrial Facilities</b> .....      | 463 |
| Renata Claudi and Marcia Divina de Oliveira   |     |

Limnoperna Fortunei

The Ecology, Distribution and Control of a Swiftly  
Spreading Invasive Fouling Mussel

Boltovskoy, D. (Ed.)

2015, XXXI, 476 p. 151 illus., 96 illus. in color.,

Hardcover

ISBN: 978-3-319-13493-2
