

Contents

Part I Introduction/General Perspectives

- 1 Introduction/General Considerations** 3
Anastasios Lympopoulos

Part II The Adrenergic System of Individual Cardiovascular Cell Types

- 2 The Adrenergic System of the Myocardium**..... 13
Grazia Daniela Femminella, Claudio de Lucia, Gennaro Pagano,
Klara Komici, Alessandro Cannavo, Vincenzo Barrese,
Nicola Ferrara and Giuseppe Rengo
- 3 The Adrenergic System in Vascular Endothelial Cells** 25
Michele Ciccarelli, Daniela Sorriento and Guido Iaccarino
- 4 The Adrenergic System in Vascular Smooth Muscle** 45
James R. Docherty

Part III The Adrenergic System in Cardiovascular Physiology and Therapy

- 5 The Cardiovascular Adrenergic System and Physical Exercise** 77
Vanessa Azevedo Voltarelli, Paulo Roberto Jannig,
Daniele Gabriel Costa, Luiz Henrique Marchesi Bozi,
Carlos Roberto Bueno Júnior and Patricia Chakur Brum
- 6 The Adrenergic System in Cardiovascular Metabolism and Aging** 97
Gaetano Santulli

7 The Neuroendocrine Adrenergic System and Cardiovascular Function 117
Lutz Hein

8 The Adrenergic System and Stem Cell-Mediated Myocardial Repair..... 133
Anna M. Gumpert and Walter J. Koch

Index..... 143
