
Contents

1 Land–Ocean Interactions Between the Changjiang (Yangtze River) Watersheds to the East China Sea Continental Margin	1
Jing Zhang	
2 Hydrodynamics of the Changjiang Estuary and Adjacent Seas	19
Jianrong Zhu, Hui Wu, and Lu Li	
3 Changjiang Estuary Sediment Transport Dynamics	47
Qing He, Leicheng Guo, Hong Liu, and Ya Wang	
4 Temporal Variations in Water and Sediment Discharge from the Changjiang (Yangtze River) and Downstream Sedimentary Responses	71
S.L. Yang, and H.F. Yang	
5 Plant Nutrients and Trace Elements from the Changjiang Watersheds to the East China Sea	93
Jing Zhang, Ying Wu, and Ying Ying Zhang	
6 Organic Matter and Biomarkers of the Changjiang Estuary and East China Sea Shelf	119
Ying Wu, Zhuoyi Zhu, Hongyan Bao, Shuchai Gan, and Jing Zhang	
7 Coastal Wetlands in the Changjiang Estuary	137
Liquan Zhang, Lin Yuan, and Huamei Huang	
8 Marine Biology of the Changjiang (Yangtze River) Estuary and Adjacent East China Sea Shelf	161
Zhao Li Xu, Xiao Min Shen, and Qian Gao	
9 Socioeconomic Dimensions of the Coastal Environment of the East China Sea	181
Qian Long, and Jing Zhang	

Ecological Continuum from the Changjiang (Yangtze River) Watersheds to the East China Sea Continental Margin

Zhang, J. (Ed.)

2015, XIV, 201 p. 140 illus., 87 illus. in color., Hardcover

ISBN: 978-3-319-16338-3
