

Preface

The *2nd International Congress on Energy Efficiency and Energy Related Materials (ENEFM2014)* provided all scientists the opportunity to meet, present their work, discuss, and mutually interact in order to enhance and promote their research work.

This volume, published by Springer, includes selected papers presented at this Congress, held in Oludeniz, Turkey, during October 16–19, 2014.

On behalf of the organizing committee we would like to thank all the plenary and invited speakers for their valuable contribution.

We would also like to thank TURA Tourism for their support in the organization of the Congress as well as the publishers for the quality of this edition.
