Part I Foundational Issues

1	Definitions and Rationales	3
1.1	Restrictive Behavior Management Practices: Some Examples	3
1.2	Definitional Issues	5
1.2.1	Restraint	8
1.2.2	Acceptable and Unacceptable Restrictive Procedures	9
1.2.3	Van Houten’s Seven Dimensions of Restraint	12
1.2.4	Seclusion and Locked Room Time-Out	12
1.2.5	PRN Medication, Psychotropic Medication and Rapid Tranquilization	15
1.2.6	Related Concepts	16
1.3	Rationales	17
1.3.1	Rights and Values	17
1.3.2	Safety	18
1.3.3	Restraint and Stress in Animal Models	25
1.3.4	Restrictive Procedures as Treatment	25
1.4	Summary	29
2	Epidemiology	31
2.1	Specific Populations	32
2.1.1	Mainstream School Settings	32
2.1.2	Incarcerated Youth	33
2.1.3	Adults with Mental Health Problems	34
2.1.4	Persons with Intellectual Disabilities	35
2.1.5	Seniors	41
2.1.6	Brain Injury	42
2.1.7	Dentistry	43
2.1.8	Detained Immigrants	44
2.2	Conclusions	45

- 3 Ethics and Legal Aspects** 47
 - 3.1 What Are Ethics? 48
 - 3.2 The Law 49
 - 3.2.1 International Law 49
 - 3.2.2 American Law 50
 - 3.2.3 British Law 56
 - 3.3 Professional Ethics 59
 - 3.3.1 General Principles 59
 - 3.3.2 Some Examples of Restraint Position Statements 62
 - 3.4 Conclusions 65

- 4 Nineteenth- and Early Twentieth-Century History** 67
 - 4.1 Chiarugi 67
 - 4.2 Pinel 68
 - 4.3 Tuke and Moral Treatment 68
 - 4.4 Gardiner Hill 70
 - 4.5 Thomas Prichard 71
 - 4.6 John Connolly 71
 - 4.6.1 Reaction to Connolly’s Work 74
 - 4.6.2 Community Services 75
 - 4.6.3 Other Examples 76
 - 4.6.4 From 1860 to 1940 77
 - 4.7 Learning from John Connolly 77

- 5 Recent History** 79
 - 5.1 Mid- and Late-Twentieth Century Institutions 79
 - 5.1.1 Christmas in Purgatory 80
 - 5.1.2 US Department of Justice 80
 - 5.1.3 British Institutions 83
 - 5.2 Deadly Restraint 84
 - 5.3 Response to Deadly Restraint 85
 - 5.3.1 Databases 85
 - 5.3.2 The US Response 86
 - 5.3.3 British Response 91
 - 5.4 Summary 92

- 6 Failing to Learn from John Connolly:
Current Use of Restraint and Seclusion** 93
 - 6.1 Contemporary Education 93
 - 6.1.1 British Education System 93
 - 6.1.2 US Schools and Treatment Centers 95
 - 6.1.3 Australia 98
 - 6.1.4 Conclusion 98
 - 6.2 Youth Facilities 99
 - 6.2.1 British Youth Facilities 99
 - 6.2.2 US Facilities for Troubled Youth 99

- 6.2.3 Rikers Adolescent Unit 2011–2014 100
- 6.2.4 Conclusion 101
- 6.3 People with Intellectual Disabilities 102
 - 6.3.1 Institutional Scandals 102
 - 6.3.2 Current Community Scandals and Restraints 103
 - 6.3.3 Nursing Homes 112
- 6.4 Police and Restraint-Related Deaths 113
- 6.5 Immigration Services 113
- 6.6 Bouncers 114
- 6.7 Psychiatric Hospitals 115
- 6.8 Families and Foster Parents 115
 - 6.8.1 Parents Keep Child with Autism in Cages 115
- 6.9 Conclusions 116

Part II Interventions

- 7 Applied Behavior Analysis: General Characteristics 121**
 - 7.1 Functions of Restraint 123
 - 7.1.1 Consequence Functions 124
 - 7.1.2 Restraints Sometimes Increase Problem Behavior 126
 - 7.1.3 Antecedent Functions 127
 - 7.1.4 Summary 128
 - 7.2 Self-Restraint 129
 - 7.2.1 Description and Definition 129
 - 7.2.2 Functions of Self-Restraint 129
 - 7.2.3 Self-Restraint as Compulsive Behavior 130
 - 7.2.4 Functional Analyses of Self-Restraint 131
 - 7.2.5 Summary 139
 - 7.3 Conclusions 139
- 8 Applied Behavior Analysis Interventions 141**
 - 8.1 Intellectual Disabilities 142
 - 8.1.1 Effective Behavioral Intervention to Reduce Restraint 142
 - 8.1.2 Restraint Fading 147
 - 8.1.3 Differential Reinforcement Using Access to Restraint Devices 152
 - 8.1.4 Analysis of Least, Most Effective Safe Restraint 154
 - 8.1.5 Systematic Desensitization 156
 - 8.1.6 Interventions for Self-Injurious Behavior and Self-Restraint 157
 - 8.2 Children and Adolescents 159
 - 8.2.1 Young Children 159
 - 8.2.2 Residential Settings 160
 - 8.2.3 Summary 160
 - 8.3 Dental and Medical Treatment 160
 - 8.3.1 Conclusion 162

8.4 Older Adults 162

8.5 State of Behavioral Services 162

8.6 Summary 163

9 Other Approaches 165

9.1 Restraint 165

 9.1.1 Staff Training 165

 9.1.2 A Note on Commercial Staff Training 170

 9.1.3 Conclusions 172

9.2 Mindfulness 173

9.3 Psychiatric Advanced Directives 177

9.4 Legislation 177

9.5 Aversive Consequences 178

9.6 Seclusion and Time-Out 180

9.7 Inappropriate Psychotropic Medication 181

9.8 As Needed (PRN) Medication 182

 9.8.1 Psychiatric Services 182

 9.8.2 Developmental Disabilities 183

 9.8.3 Other Populations 183

9.9 Routine Psychotropic Medications 183

9.10 Conclusions 184

10 Organizational Approaches: General Principles 185

10.1 Common Components of Organizational Interventions 186

 10.1.1 Six Core Strategies 186

10.2 Conclusion 195

11 Organizational Interventions: The Evidence 197

11.1 Literature Reviews 197

11.2 Empirical Case Studies 200

 11.2.1 Two Examples 213

11.3 Systematic Reviews 215

11.4 Conclusions 218

12 The Way Forward 221

12.1 Tend Your Own Garden 223

12.2 Last Word 223
