

Contents

1	Introduction	1
2	Long Duration Flight Data	13
3	Earthbound and Microgravity Pathophysiology of Increased Intracranial Pressure	25
4	Papilledema and Microgravity-Induced Fluid Shift	35
5	The Role of Carbon Dioxide and Exercise	47
6	Diet and Personalized Medicine	59
7	Future Research	75
	Glossary	87
	Index	95

Microgravity and Vision Impairments in Astronauts

Seedhouse, E.

2015, XII, 96 p. 49 illus., 46 illus. in color., Softcover

ISBN: 978-3-319-17869-1
