<b>1</b>	<b>Introduction to Endometriosis</b>	<b>1</b>
	Sajal Gupta, Avi Harlev, Ashok Agarwal, Elizabeth Pandithurai, and Caroline Cirenza	
1.1	Definition	1
1.2	Classification of Endometriosis	1
1.2.1	ASRM Classification (Stage 1 to Stage 4)	2
1.3	Disease Burden: Prevalence of Endometriosis Worldwide and in North America	2
1.4	Symptoms and Signs of Endometriosis	3
1.5	Disease Background	4
1.5.1	Historical Perspectives	4
1.6	Key Points and Summary	4
	References	4
<b>2</b>	<b>Predisposing and Protective Factors of Endometriosis</b>	<b>7</b>
	Sajal Gupta, Avi Harlev, Ashok Agarwal, and Elizabeth Pandithurai	
2.1	Predisposing Factors	7
2.1.1	Early Menarche, Late Menopause, Low Parity	7
2.1.2	Hormonal Factors: High Estrogen and Low Progesterone	7
2.1.3	Exposure to Environmental Agents Such as Dioxins	8
2.1.4	Immunological Dysregulation	9
2.1.5	Genetic Predisposition and Epigenetic Alterations	10
2.1.6	Persistent Inflammatory Status	11
2.2	Protective Factors	12
2.3	Key Points and Summary	12
	References	13

<b>3 Theories on Endometriosis.....</b>	<b>17</b>
Sajal Gupta, Avi Harlev, Ashok Agarwal, and Elizabeth Pandithurai	
3.1 Sampson's Theory.....	17
3.2 Coelomic Metaplasia .....	18
3.3 Embryonic Rest Theory .....	18
3.4 Lymphatic and Vascular Metastasis Theory .....	19
3.5 TIAR (Tissue Injury and Repair) Theory .....	19
3.6 Quinn's "Denervation-Reinnervation" Theory .....	19
3.7 Stem Cell Theory .....	19
3.8 Key Points and Summary.....	20
References.....	20
<b>4 Oxidative Stress and Endometriosis.....</b>	<b>23</b>
Sajal Gupta, Avi Harlev, Ashok Agarwal, Alaa Al Safaar, Akshay Gupta, and Garrett Hack	
4.1 What Is Oxidative Stress? .....	23
4.2 Role of Macrophages, Interleukins in Causing Oxidative Stress .....	23
4.3 Mechanistic Pathway Connecting Oxidative Stress and Endometriosis.....	26
4.4 Nitric Oxide and Endometriosis.....	26
4.5 Is Oxidative Stress a Cause or Effect of Endometriosis?.....	26
4.6 Measurement of Oxidative Stress Markers.....	27
4.6.1 The Function of Thioredoxin (TRX) and Thioredoxin-Binding Protein-2 (TBP-2) .....	28
4.7 Role of Antioxidants as a Defense System Against Oxidative Stress .....	29
4.7.1 Vitamins E, A, C and Melatonin as Anti-Oxidants.....	29
4.7.2 Studies on Antioxidant Rich Diet in Endometriosis Patients.....	31
4.8 Key Points and Summary.....	33
References.....	33
<b>5 Role of Iron in the Pathogenesis of Endometriosis .....</b>	<b>37</b>
Sajal Gupta, Avi Harlev, Ashok Agarwal, Sheila Gokul, and Deepika Kumaresan	
5.1 Iron: Background .....	37
5.2 Iron Regulated Genes.....	37
5.3 Retrograde Menstruation and Iron Levels in Endometriosis .....	38
5.4 Iron and Oxidative Stress.....	42
5.4.1 Fenton Reaction .....	42
5.5 Mechanistic Pathway of Iron Induced Oxidative Stress in Endometriosis .....	42
5.6 Hemoglobin: Haptoglobin Complex, Hemopexin and Fenton Reaction .....	43

5.7	Ferritin, Transferrin, and Hemosiderin .....	44
5.8	Long-Term Consequences of Iron Overload.....	45
5.9	Key Points and Summary.....	46
	References.....	46
<b>6</b>	<b>Role of Environmental Pollutants in Endometriosis.....</b>	<b>49</b>
	Sajal Gupta, Avi Harlev, Ashok Agarwal, Beena Premkumar, Cansu Yazar, and Roshni Kakaiya	
6.1	Introduction.....	49
6.2	Classification of Environmental Pollutants.....	50
6.3	Toxic Effects of Environmental Pollutants .....	50
6.3.1	Human Studies.....	50
6.3.2	Animal Studies.....	50
6.4	Mechanism of Toxic Induction .....	50
6.5	AhR Modulation and Its Impact on Endometriosis Development .....	51
6.6	Activation of Growth Factors.....	51
6.7	Gene Dys-Regulation.....	52
6.8	Immunosuppression .....	53
6.9	Altered Hormone Signaling Pathways.....	54
6.10	Prevention and Management.....	56
6.11	Key Points and Summary.....	57
	References.....	58
<b>7</b>	<b>Endometriosis and Ovarian Cancer.....</b>	<b>61</b>
	Sajal Gupta, Avi Harlev, Ashok Agarwal, Akshay Gupta, Monica Gray, Kristina Solvik, and Maria DeLeonibus	
7.1	Introduction.....	61
7.2	Sampson's Theory of Malignant Transformation .....	61
7.3	Ovarian Cancers Associated with Endometriosis .....	62
7.4	Genetic Alterations Common in Endometriosis and EAO.....	62
7.5	Mechanistic Pathways Underlying Conversion of Ovarian Endometriosis to EAO.....	63
7.5.1	PI3K/AKT-Pathway.....	67
7.6	Preventive Measures and Screening Options.....	69
7.6.1	Screening .....	71
7.7	Key Points and Summary.....	72
	References.....	73
<b>8</b>	<b>Endometriosis: Impact on Patient Quality of Life.....</b>	<b>75</b>
	Sajal Gupta, Avi Harlev, Ashok Agarwal, Nathan Reynolds, Tahir Beydola, and Namariq Haroun	
8.1	Introduction.....	75
8.2	Measures of Quality of Sexual Life .....	75
8.3	Pain Related Measures.....	76
8.4	Measures to Assess Depression .....	76

8.5	Measures to Assess Anxiety .....	76
8.6	Measures Related to Professional Life .....	77
8.7	Key Points and Summary .....	77
	References .....	77
<b>9</b>	<b>Diagnosis of Endometriosis .....</b>	<b>79</b>
	Sajal Gupta, Avi Harlev, Ashok Agarwal, Julia Ellis-Kahana, and Caroline Cirenza	
9.1	Introduction .....	79
9.2	Gold Standard: Invasive Diagnostic Technique .....	79
9.3	Existing Diagnostic Techniques .....	80
9.4	Need for Non-invasive Diagnostic Technique .....	80
9.5	Peripheral Biomarkers for Endometriosis .....	81
9.5.1	Biomarkers: Peripheral Blood .....	81
9.6	Potential Biomarker for Non-invasive Diagnosis .....	83
9.6.1	Biomarkers: Peritoneal Fluid (Pf) .....	83
9.6.2	Biomarkers: Eutopic Endometrium .....	87
9.6.3	Biomarkers: Follicular Fluid (FF) .....	89
9.6.4	Biomarkers: Ectopic Endometrium .....	90
9.7	Key Points and Summary .....	91
	References .....	91
<b>10</b>	<b>Management of Endometriosis .....</b>	<b>95</b>
	Sajal Gupta, Avi Harlev, Ashok Agarwal, Mitali Rakhit, Julia Ellis-Kahana, and Sneha Parikh	
10.1	Pharmacological Treatment .....	95
10.1.1	Hormonal Therapies .....	96
10.1.2	Analgesics .....	98
10.1.3	Melatonin .....	98
10.2	Surgical Treatment of Endometriosis .....	98
10.2.1	Ovarian Endometriomata Surgical Management .....	98
10.2.2	Ovarian Endometriomata Aspiration .....	99
10.2.3	Deep Endometriosis Surgical Treatment .....	99
10.3	Treating Endometriosis to Improve ART Outcomes .....	99
10.3.1	Introduction .....	99
10.3.2	Endometrioma Aspiration .....	100
10.3.3	Endometrioma Ablation .....	101
10.3.4	Ovarian Cystectomy .....	101
10.4	Recent Advances in Management of Endometriosis .....	103
10.4.1	Introduction .....	103
10.4.2	Hormonal Agents .....	103
10.4.3	Non Hormonal Agents .....	104
10.4.4	Surgical Techniques Robotic Surgery .....	105

10.5	New Frontiers in Management of Endometriosis .....	106
10.5.1	Endometriosis Diagnosis .....	106
10.5.2	Endometriosis Treatment.....	106
10.6	Key Points and Summary.....	107
	References.....	107
<b>11</b>	<b>Concluding Remarks .....</b>	<b>113</b>
	Sajal Gupta, Avi Harlev, Ashok Agarwal	

Endometriosis

A Comprehensive Update

Gupta, S.; Harlev, A.; Agarwal, A.

2015, IX, 115 p. 19 illus., 9 illus. in color.,

ISBN: 978-3-319-18308-4
