Contents

1 Environmental Management 1
1.1 Concepts of Environmental Management 1
1.1.1 Definition of Environmental Management 1
1.1.2 Environmental Management Practices 2
1.1.3 Environmental Management Diffusion 4
1.1.4 Environmental Management Capability 4
1.1.5 Summary 5
1.2 Environmental Management and Supply Chain Management 5
1.2.1 Corporate Environmental Management. 5
1.2.2 Green Supply Chain Management 6
1.2.3 Extended Producer Responsibility 8
1.2.4 Summary 8
1.3 Environmental Disclosure. 9
1.3.1 Environmental Disclosure. 9
1.3.2 Definition of Environmental Disclosure 9
1.3.3 Types of Environmental Disclosure 9
1.3.4 Case Examples of Environmental Disclosure 10
1.3.5 Public Perception of Environmental Disclosure 11
1.4 Environmental Reputation 12
1.4.1 What Is Green Advertising? 12
1.4.2 Role of Green Advertising 15
1.4.3 Divergent Views on Green Advertising 16
1.4.4 Green Advertising Limitations 17
1.4.5 Definition of Environmental Reputation 18
1.4.6 Environmental Legitimacy and Environmental Reputation 18
1.4.7 Environmental Indices 19
1.4.8 Role of Environmental Reputation. 20
1.4.9 Executive Summary. 21
References 22

2 Environmental Management Practices with Supply Chain Efforts 29
2.1 Product Stewardship 29
2.1.1 Definition of Product Stewardship 30
2.1.2 Components of Product Stewardship 31
2.1.3 Product Stewardship Example 34
2.1.4 Performance Impacts of Product Stewardship 35
2.1.5 Product Stewardship from the Consumer Perspective 36
2.1.6 Summary 38
2.2 Process Stewardship 39
2.2.1 Process Stewardship Example 39
2.2.2 Performance Impacts of Process Stewardship 41
2.2.3 Summary 41
2.3 Green Services 42
2.3.1 Green Services Definition 43
2.3.2 Green Services Example—the Hotel Industry 44
2.3.3 The Value of Green Service Practices 46
2.3.4 Green Services Impacts 46
2.3.5 Summary 48
2.4 Logistics Management 49
2.4.1 Definition of Green Logistics Management 50
2.4.2 Drivers of GLM 51
2.4.3 Performance Impacts of GLM 52
2.4.4 Example of Green Logistics Management 52
2.4.5 Summary 54
2.5 Green Logistics Management 55
2.5.1 Green Logistics Management 55
2.5.2 Driver of Green Logistics Management 56
2.5.3 Summary 59
2.6 Extended Producer Responsibility 59
2.6.1 Approaches of EPR 60
2.6.2 Product Take-Back Programs 61
2.6.3 Advanced Recycling Fee (ARF) 61
2.6.4 Voluntary Industry Practices 62
2.6.5 Example of EPR 62
2.6.6 Impacts of EPR 63
2.6.7 Benefits 64
2.6.8 Moderating Role of Customer Integration in EPR Performance 65
2.6.9 Summary 66
References 67

3 Collaborative Environmental Management 73
3.1 Environmental Information Integration 73
3.1.1 Definition of Environmental Information Integration 74
3.1.2 Dimensions of Environmental Information Integration 75
3.1.3 EII Examples 77
3.1.4 Performance Impacts of EII 79
3.1.5 Summary 82
3.2 Operational Adaptation 83
3.2.1 Inter-organizational Coordination 83
3.2.2 Supplier Operational Adaptation 84
3.2.3 Summary 87
3.3 Supplier Environmental Integration and Capability 88
3.3.1 Supplier Environmental Integration and Capability Example 89
3.3.2 Impacts of Supplier Environmental Integration and Capability 90
3.3.3 Summary 91
3.4 Customer Environmental Integration 92
3.4.1 Channels of Customer Environmental Integration 92
3.4.2 Impacts of Customer Environmental Integration 95
3.4.3 Summary 96
3.5 Consumer Preferences 96
3.5.1 Sustainable Consumption 96
3.5.2 The Green Consumer. 97
3.5.3 Green Consumer Preference and Behavior 98
3.5.4 Impact of Price Premium 99
3.5.5 Summary 100
References 100

4 Organizational Capabilities 109
4.1 Internal Integration 109
4.1.1 Internal Integration Example. 110
4.1.2 Internal Integration Impacts 111
4.1.3 Summary 112
4.2 Environmental Innovativeness. 113
4.2.1 Definition of Environmental Innovativeness 113
4.2.2 Environmental Innovation Examples 115
4.2.3 Adidas. 116
4.2.4 Reckitt Benckiser 116
4.2.5 Environmental Innovation Implications 117
4.2.6 Summary 117
4.3 Environmental Adaptability 118
4.3.1 Definition of Environmental Adaptability 118
4.3.2 Example of Environmental Adaptability 119

4.3.3 Environmental Adaptability and Environmental Information Integration . . . 120
4.3.4 Summary . . . 121
