| 1 | Flow-Oriented Approaches | 1 |
| 1.1 | Why Flow Awareness? | 1 |
| 1.2 | Background and Development History | 2 |
| 1.2.1 | Common Features | 3 |
| 1.2.2 | Development History | 3 |
| 1.3 | Flow-Based Architectures at a Glance | 4 |
| 1.3.1 | Integrated Services | 6 |
| 1.3.2 | Connectionless Approach | 7 |
| 1.3.3 | Dynamic Packet State | 7 |
| 1.3.4 | Caspian Networks/Anagran | 8 |
| 1.3.5 | Feedback and Distribution | 9 |
| 1.3.6 | Flow-Based Differentiated Services | 10 |
| 1.3.7 | Flow-Aware Networking | 11 |
| 1.3.8 | Flow-State-Aware Transport | 12 |
| 1.3.9 | Flow-Aggregate-Based Services | 13 |
| 1.4 | Flow Definition | 13 |
| 1.5 | Classes of Service | 15 |
| 1.5.1 | Integrated Services | 16 |
| 1.5.2 | Connectionless Approach | 16 |
| 1.5.3 | Dynamic Packet State | 18 |
| 1.5.4 | Caspian Networks/Anagran | 18 |
| 1.5.5 | Feedback and Distribution | 19 |
| 1.5.6 | Flow-Based Differentiated Services | 19 |
| 1.5.7 | Flow-Aware Networking | 19 |
| 1.5.8 | Flow-State-Aware Transport | 20 |
| 1.5.9 | Flow-Aggregate-Based Services | 21 |
| 1.5.10 | Summary | 21 |
| 1.6 | Architecture | 22 |
| 1.6.1 | Integrated Services | 22 |
| 1.6.2 | Connectionless Approach | 24 |
| 1.6.3 | Dynamic Packet State | 26 |
| 1.6.4 | Caspian Networks/Anagran | 27 |
| 1.6.5 | Feedback and Distribution | 28 |
| 1.6.6 | Flow-Based Differentiated Services | 29 |

| | | |
|----------|---|-----------|
| 1.6.7 | Flow-Aware Networking | 31 |
| 1.6.8 | Flow-State-Aware Transport | 34 |
| 1.6.9 | Flow-Aggregate-Based Services | 35 |
| 1.6.10 | Summary | 37 |
| 1.7 | Signaling | 38 |
| 1.7.1 | Integrated Services | 38 |
| 1.7.2 | Connectionless Approach | 41 |
| 1.7.3 | Dynamic Packet State | 41 |
| 1.7.4 | Caspian Networks/Anagran. | 42 |
| 1.7.5 | Feedback and Distribution | 42 |
| 1.7.6 | Flow-Based Differentiated Services | 42 |
| 1.7.7 | Flow-Aware Networking | 43 |
| 1.7.8 | Flow-State-Aware Transport | 43 |
| 1.7.9 | Flow-Aggregate-Based Services | 44 |
| 1.7.10 | Summary | 44 |
| 1.8 | Summary | 45 |
| 1.8.1 | Complexity and Scalability Assessment | 45 |
| 1.8.2 | Pros and Cons | 46 |
| 1.8.3 | Perspectives | 48 |
| 1.9 | Conclusion. | 48 |
