1	Background to Collaborative Learning and Chinese EFL Education	1
1.1	An Overview and Structure of the Volume	1
1.2	Scope of the Book	3
1.2.1	Aims and Objectives	3
1.2.2	Paradigms and Perspectives of “Learning” in This Book	3
1.3	English as a Foreign Language in Chinese Higher Education: The Context for Learning	4
1.3.1	Social Context	4
1.3.2	Cultural Context	5
1.3.3	Institutional Context	6
1.4	Problems in the Chinese EFL Education	7
1.5	Significance of the Collaborative Learning Research Project in EFL Education	8
	References	9
2	Exploring Collaborative Learning: Theoretical and Conceptual Perspectives	11
2.1	Foundations of Collaborative Learning: Theoretical Supports	11
2.1.1	Vygotskian Perspective	11
2.1.2	SLA Perspective	13
2.1.3	Motivational Perspective	14
2.2	Definitions and Typology of Collaborative Learning	16
2.2.1	Definitions	16
2.2.2	Collaboration, Cooperation, and Group Work as Different Communicative Strands	18
2.3	Characteristics of Collaborative Learning	19

2.4	Rationale for Collaborative Learning	21
2.4.1	Provide More Language Practice Opportunities.	21
2.4.2	Improve the Quality of Students Talk	21
2.4.3	Create a Positive Learning Climate	22
2.4.4	Promote Social Interaction	22
2.4.5	Allow for Critical Thinking	22
2.5	Essential Components of Collaborative Learning.	23
2.6	Collaborative Learning Structures	24
	References.	25
3	Tenets and Practices of Collaborative Learning	
	in Classrooms: Empirical Supports	29
3.1	Collaborative Learning and First Language Maintenance	29
3.2	Collaborative Learning in Second Language Classrooms	30
3.3	Collaborative Learning in Chinese EFL Classrooms: Use and Research	32
3.3.1	Potential Resistance to Collaborative Learning as Pedagogical Imports	32
3.3.2	Pros to the Use of Collaborative Learning	33
3.4	Problems of Research upon the Use of Collaborative Learning in Classrooms	35
3.4.1	Criticism in the Use of Collaborative Learning.	35
3.4.2	A Critique of Methods Used in the Study of Collaborative Learning	36
	References.	39
4	The Collaborative Learning Research Project: From Theory to Practice	43
4.1	Aims and Research Questions	43
4.1.1	Main Research Question	43
4.1.2	Sub-Questions	44
4.2	Theoretical Conceptual Framework	45
4.3	Methodological Stance Underpinning the Study	47
4.4	Research Design	49
4.4.1	Methodological Triangulation	49
4.4.2	A Case Study Approach	50
4.5	Teaching as an Intervention	52
4.5.1	Teaching Material Used for the Intervention.	52
4.5.2	Design of the Collaborative Learning Tasks	53
4.5.3	Design of the Lesson Plan	58
4.5.4	Implementation of the Collaborative Learning Tasks and Lesson Plan	60
4.6	Research Setting	63

4.7	Participants and Sampling	64
4.7.1	The Role of the Participants	64
4.7.2	The Dual Role of the Researcher	65
	References.	67
5	Research Instruments	71
5.1	Justification of the Data Collection Tools.	71
5.1.1	Classroom Observation	71
5.1.2	Questionnaire	74
5.1.3	Reflective Journal Writing	79
5.1.4	Focus Group Interview	80
5.1.5	Motivation Test	84
5.2	Data Analysis.	86
5.2.1	Classroom Observation	86
5.2.2	Questionnaire	88
5.2.3	Reflective Journal Writing	89
5.2.4	Focus Group Interview	90
5.2.5	Motivation Test	91
5.3	Piloting the Research Instruments	92
5.4	Reliability and Validity	93
5.5	Ethics Relating to the Research Project	97
