

Contents

1	Be Wary of What's Coming from the West: Globalisation and the Implications for Measurement in the Human Sciences . . .	1
	Robert F. Cavanagh and William Fisher Jr.	
2	Rasch Model: Status Quo and Prospect in China	17
	Quan Zhang and Tiantian Zhang	
3	The Psychometric Properties of the MISSCARE Nursing Tool . . .	25
	I. Blackman, E. Willis, L. Toffoli, J. Henderson, P. Hamilton, C. Verrall, E. Arbery and C. Harvey	
4	Booklet Design for a Longitudinal Study: Measuring Progress in New-Immigrant Children's Mathematics Achievement	43
	Pei-Jung Hsieh	
5	Indicators of Integration of Islamic Values in Human Knowledge	51
	Nik A. Hisham, Kamal J. Badrasawi and Noor Lide Abu Kassim	
6	A Rasch Measure of Test Takers' Attitude Toward the Versant English Test	65
	Jinsong Fan and Trevor Bond	
7	The Application of Rasch in the Validation of Corporate Citizenship Scale.	87
	Kamala Vainy Pillai, Rajah Rasiah and Geoffrey Williams	
8	Fluency: A Critically Important Yet Undervalued Dimension of L2 Vocabulary Knowledge	99
	Junyu Cheng, Joshua Matthews and John Mitchell O'Toole	

9	A Rasch-Based Approach for Comparison of English Listening Comprehension Between CET and GEPT	115
	Quan Zhang, Guoxiong He and Huifeng Mu	
10	A Rasch-Based Approach for Comparison of English Reading Comprehension Between CET and GEPT.	131
	Hong Yang and Mingzhu Miao	
11	Application of Rasch Model in Test Paper Quality Analysis—With the Case of Reading Literacy Pilot Test Paper for Grade 5–6 Students in Guangxi	145
	Jing Gong and Dehong Luo	
12	Development and Psychometric Evaluation of an Integrative Thinking Mode Scale Utilizing the Rasch Measurement Model . . .	155
	Zhuanmao Song and Bo Jiang	
13	Assessment of the Psychometric Properties of the Tampa Scale of Kinesiophobia Adapted for People with Dystonia Using Rasch Analysis	173
	I. Blackman, L. Bradnam and L. Graetz	
14	Reliability and Validity of the Malay Version of the SSIS Instrument for Students Aged 8–12 Years Old in Assessing Social Skills and Problem Behavior	189
	Zuraini Mat Issa and Wan Abdul Manan Wan Muda	
15	Sample Size and Chi-Squared Test of Fit—A Comparison Between a Random Sample Approach and a Chi-Square Value Adjustment Method Using Swedish Adolescent Data.	197
	Daniel Bergh	
16	Measuring the Effectiveness of Evaluation Processes for Diversified Undergraduate Students with Self-regulated Study—A Case Study in International School of Jinan University.	213
	Yufan Liu	
17	Correlation Analysis on Influencing Factors of English Writing and Non-English Major Tibetan College Students' English Writing Development	231
	Baina Xia	

18 An Empirical Case Study of TEM-8 Test Reliability. 239
Jianfang Xiao

**19 The Application of Descriptive Statistical Analysis of Foreign
Language Teaching and Testing 251**
Wu Wei and Li Lan

**20 Backwash Effect of English Testing on English Teaching
for Adults. 263**
Yuhuan Gong

**21 Recasting English for Environmental Science into
a SPOC—A Pilot Study in Wenzhou University 271**
Xiaoshu Xu and Xiuyu Gu
