

Contents

1	Introduction	1
	References	6
2	Potential of Urban Mine	7
2.1	Background	7
2.2	World Potential	9
2.2.1	Estimated Potential	9
2.2.2	Practical Potential	11
2.3	Domestic Potential of Urban Mining in the Case of Japan	18
2.3.1	Flow Estimation Method	18
2.3.2	Domestic Stock Estimation Method	21
2.3.3	Domestic Stock Estimation	24
2.3.4	Comparing with Activities in Japan	26
2.4	Summary	28
	References	28
3	Development of Urban Mine	31
3.1	Social System	31
3.1.1	General Economic Considerations	31
3.2	Technologies	36
3.2.1	Analogy of Natural Ore Processing	36
3.2.2	Physical Separation Techniques	37
3.2.3	Smelting and Extraction Techniques	40
3.2.4	Accompany Metals in Non-ferrous Smelters	42
	References	45
4	Summary	47
	Index	49

Urban Mining Systems

Nakamura, T.; Halada, K.

2015, VII, 50 p. 36 illus., 26 illus. in color., Softcover
