

Contents

Environmental Security Issues Associated with Submerged Cross-Border Pipelines (A Case Study of the Blue Stream Gas Pipeline).....	1
V.I. Osipov	
Using Geological Data to Identify Some Environmental Problems Associated with Existing Pipelines and Other Linear Structures	13
M.G. Culshaw, S.J. Booth, A.D. Gibson, and R. Dearden	
Modern Remote Sensing Techniques for Monitoring Pipeline Displacements in Relation to Landslides and Other Slope Mass Movements	31
M. Jemec Auflič, M. Komac, and J. Šinigoj	
A Review of Central Asian Trans-border Issues Associated with Environmental Problems and Hazard Mitigation	49
N.G. Mavlyanova, I. Denisov, and V. Lipatov	
Cross-Boundary Oil and Gas Pipelines in Turkey: Potential Risks from Geohazards	61
M.N. Yalçın	
Infrastructure in Geohazard Contexts: The Importance of Automatic and Near-Real-Time Monitoring	73
G. Lollino, A. Manconi, D. Giordan, P. Allasia, and M. Baldo	
General Problems of Environmental Monitoring System Design for Environmental Security of European Energy Supply Infrastructure.....	91
A.S. Victorov	

Towards a New Generation of Techniques for the Environmental Management of Maritime Activities	103
T. Soomere, N.C. Delpeche-Ellmann, T. Torsvik, and B. Viikmäe	
Geo-environmental Aspects of European Underground Infrastructure.....	133
E.F.J. de Mulder, C.C.D.F. van Ree, and H.R.G.K. Hack	
Environmental and Energy Security: Conceptual Evolution and Potential Applications to European Cross-Border Energy Supply Infrastructure.....	155
H.G. Brauch	
‘Synoriology’ – A Science for the Environment, Peace, Infrastructures and Cross-Border Management	187
F. Papadimitriou	
Transborder Energy Supply Problems – Bulgaria Case Study	193
P.S. Gramatikov	
Glaciation and Thermokarst Phenomena and Natural Disasters in the Mountains of North-West Inner Asia.....	207
K.V. Chistyakov and D.A. Ganiushkin	
Assessment of Horizontal Displacements in a Large Landslide in the Eastern Rhodope Mountains (South Bulgaria) Using Remote Sensing	219
A. Gikov	
Geodata for Seismic Hazard Assessments	233
F.H. Karimov	
Some Environmental Problems Between Albania and Montenegro and the Effects on the Local Population	247
A. Axhemi and S. Axhemi	

Environmental Security of the European Cross-Border
Energy Supply Infrastructure

Culshaw, M.; Osipov, V.; Booth, S.J.; Victorov, A.S. (Eds.)

2015, VIII, 253 p. 98 illus., 74 illus. in color., Hardcover
