

Preface

We are very happy to present the first proceedings book of the Colloquium on Administrative Science and Technology 2013 (CoAST 2013). CoAST 2013 focuses on the areas of Administrative Science and Technology, Management, and Arts and Humanities. Other specific areas of social science through technology by providing contemporary insights within the scope of public sector institutions. The conference was organized by the Research Management Institute (RMI), Universiti Teknologi MARA (UiTM) in cooperation with IEEE Joint Chapter of Malaysia, with its proceedings to be archived in Springer Digital Library.

The CoAST 2013 conference received 98 submissions with a 67.3% acceptance rate. However, the final count of 47 papers was submitted to Springer for publication. All submitted papers were subject to double blind peer review by an independent international review board of 750 experts.
