Part I Background

1	Defining the Evolving Concept of Impairment	3
	Sam Goldstein and Jack A. Naglieri	
2	The Role of Family and Cross-Setting Supports to Reduce Impairment and Promote Success	17
	John W. Eagle, Shannon E. Dowd-Eagle, and S. Andrew Garbacz	
3	Relationships Between Adaptive Behavior and Impairment	45
	Jeffrey Ditterline, Thomas Oakland, and Keith D. McGoldrick	
4	Impairment in Children	71
	Gregory A. Fabiano and William E. Pelham	
5	Impairment in the Geriatric Population.....	91
	Holly Tuokko and Lesley Ritchie	

Part II Modeling Impairment

6	Legal Conceptions of Impairment: Implications for the Assessment of Psychiatric Disabilities.....	125
	Benjamin J. Lovett, Michael Gordon, and Lawrence J. Lewandowski	
7	The Medical Model of Impairment	141
	Norma Leclair, Steven Leclair, and Christopher R. Brigham	
8	The Diagnostic and Statistical Manual of Mental Disorders: Fifth Edition (DSM-5) Model of Impairment.....	167
	Diana Joyce-Beaulieu and Michael L. Sulkowski	
9	Impairment in Parenting.....	191
	Keith D. McGoldrick	

Part III Assessment and Reduction of Impairment

10	Psychometric Issues in the Assessment of Impairment	215
	Jack A. Naglieri and Keith D. McGoldrick	

11	Measurement of Symptom Severity and Impairment	229
	Lawrence J. Lewandowski, Benjamin J. Lovett, and Michael Gordon	
12	Measuring Impairment with the Rating Scale of Impairment	247
	Sam Goldstein and Jack A. Naglieri	
13	Measuring Impairment with the Barkley Functional Impairment Scales	257
	Russell A. Barkley	
14	Measuring Impairment with the Neuropsychological Impairment Scale	275
	Tammy L. Stephens-Pisecco	
15	Assessing Occupational Disability Following Trauma and Impairment	283
	Jasen M. Walker and Stacey A. Krauss	
16	Treatment Integrity in Interventions for Children Diagnosed with DSM-5 Disorders	303
	Samantha Benevenuto Skolnik and Andrew Livanis	
17	Conclusions	317
	Sam Goldstein	
	Index	323

Assessing Impairment

From Theory to Practice

Goldstein, S.; Naglieri, J.A. (Eds.)

2016, XVI, 332 p. 333 illus., 330 illus. in color.,

Hardcover
