

Contents

Nitroxide-Mediated Polymerization from Surfaces	1
Trang N.T. Phan, Jacques Jestin, and Didier Gigmes	
Surface-Initiated Atom Transfer Radical Polymerization	29
Amir Khabibullin, Erlita Mastan, Krzysztof Matyjaszewski, and Shiping Zhu	
Reversible Addition-Fragmentation Chain Transfer Polymerization from Surfaces	77
Youliang Zhao and Sébastien Perrier	
Surface-Initiated Living Radical Polymerizations Using Iodine, Organotellurium, and Organic Catalysts	107
Atsushi Goto and Yoshinobu Tsujii	
Synthesis of Nanocapsules and Polymer/Inorganic Nanoparticles Through Controlled Radical Polymerization At and Near Interfaces in Heterogeneous Media	123
Elodie Bourgeat-Lami, Franck D'Agosto, and Muriel Lansalot	
Post-polymerization Modification of Surface-Bound Polymers	163
Hanju Jo and Patrick Theato	
Nanocomposites and Self-Assembled Structures via Controlled Radical Polymerization	193
Christian Rossner and Philipp Vana	
Index	221

Controlled Radical Polymerization at and from Solid
Surfaces

Vana, P. (Ed.)

2016, VII, 225 p. 110 illus., 64 illus. in color., Hardcover

ISBN: 978-3-319-22137-3
