
Contents

Part I Introduction

Henning Dralle

- 1 Rates of RLN and SLN Injury: Data from National Quality Registries and the Literature** 3
Neil S. Tolley, Konstantinos Chaidas, and Anders Bergenfelz
- 2 Laryngeal Exam Indications and Techniques** 17
Catherine F. Sinclair, William S. Duke, Anca M. Barbu,
and Gregory W. Randolph

Part II RLN Neural Anatomy

Gregory W. Randolph

- 3 Neurologic Control of the Larynx** 33
Gayle E. Woodson
- 4 Micro-neuroanatomy of the Vagus, Superior Laryngeal, and Recurrent Laryngeal Nerves** 43
Noah P. Parker, Rita Patel, and Stacey L. Halum
- 5 Intralaryngeal Anatomy of the Recurrent Laryngeal Nerve** 53
Michael I. Orestes and Gerald S. Berke
- 6 Imaging of the Recurrent Laryngeal Nerve** 65
Jayender Jagadeesan, Gregory W. Randolph,
and Daniel T. Ruan

Part III RLN Surgical Anatomy

Gregory W. Randolph

- 7 RLN Nerve and Inferior Thyroid Crossing** 79
Celestino Pio Lombardi, Marco Raffaelli, Carmela De Crea,
Giulia Carnassale, and Rocco Bellantone
- 8 Recurrent Laryngeal Nerve Branching** 83
Manuel Durán, Jose Sañudo, Juan J. Sancho, Beata Wojtczak,
Eva Maranillo, and Antonio Sitges-Serra

9	The Recurrent Laryngeal Nerve and the Tubercle of Zuckerkindl	95
	Steven R. Bomeli, Beata Wojtczak, Hisham Abdullah, Romain E. Kania, and David J. Terris	
10	The Ligament of Berry	103
	Niranjan Sritharan, Paul M. Paddle, Samuel K. Snyder, and Jonathan W. Serpell	
11	The Nonrecurrent Inferior Laryngeal Nerve	115
	Carrie C. Lubitz, Dennis H. Kraus, Gregory W. Randolph, and Richard J. Wong	
12	The International RLN Anatomic Classification System	125
	Gregory W. Randolph, Che-Wei Wu, Gianlorenzo Dionigi, Dipti Kamani, Rahul R. Modi, Feng-Yu Chiang, and Jean François Henry	
13	Surgical Approaches to the Recurrent Laryngeal Nerve	139
	Emad Kandil, Michael Singer, Ahmed Deniwar, and Gregory W. Randolph	
Part IV IONM of the RLN		
Gianlorenzo Dionigi		
14	IONM of the Recurrent Laryngeal Nerve	147
	Gianlorenzo Dionigi, Henning Dralle, Whitney Liddy, Dipti Kamani, Natalia Kyriazidis, and Gregory W. Randolph	
15	Continuous Intraoperative Neuromonitoring (CIONM) of the Recurrent Laryngeal Nerve	169
	Rick Schneider, Kerstin Lorenz, Andreas Machens, Phuong Nguyen Thanh, Gregory W. Randolph, and Henning Dralle	
Part V SLN Surgical Anatomy and Monitoring		
Marcin Barczyński		
16	External Branch of Superior Laryngeal Nerve (EBSLN) Anatomic Classification	187
	Marcin Barczyński, Jeremy L. Freeman, and Claudio R. Cernea	
17	Surgical Approach and Monitoring of the External Branch of the Superior Laryngeal Nerve (EBSLN)	197
	Marcin Barczyński and Gregory W. Randolph	

Part VI Neural Injury

Feng-Yu Chiang

18	Loss of Signal in IONM and Staged Thyroid Surgery	211
	Kerstin Lorenz, Rick Schneider, Andreas Machens, Carsten Sekulla, Gregory W. Randolph, and Henning Dralle	
19	Mechanism of Injury	223
	Gianlorenzo Dionigi, Samuel K. Snyder, Feng-Yu Chiang, Whitney Liddy, Dipti Kamani, and Natalia Kyriazidis	
20	Intraoperative Neural Injury Management: Neuropraxic Non-transection Injury	239
	Gianlorenzo Dionigi, Gregory W. Randolph, and Per Mattsson	
21	Intraoperative Neural Injury Management: Transection and Segmental Defects.....	253
	Akira Miyauchi, Catherine F. Sinclair, Dipti Kamani, Whitney Liddy, and Gregory W. Randolph	
22	Nerve Management: Invasive Disease	259
	Dana M. Hartl, Mark L. Urken, Ilya Likhterov, Dipti Kamani, and Gregory W. Randolph	
23	Postoperative Management of Unilateral RLN Paralysis	271
	Phillip C. Song, Inna Hussain, Jean Bruch, and Ramon A. Franco Jr.	
24	Postoperative Management of Bilateral Vocal Cord Paralysis	285
	Alexander Gelbardl and James L. Netterville	
25	The Recurrent Laryngeal Nerve and Medical Malpractice During Thyroid Surgery	295
	Daniel D. Lydiatt, William M. Lydiatt, Gregory W. Randolph, and Henning Dralle	
26	Postoperative Management of Superior Laryngeal Nerve Paralysis	301
	Craig E. Berzofsky, Amy L. Cooper, and Michael Jay Pitman	
	Index.....	309

The Recurrent and Superior Laryngeal Nerves

Randolph, G.W. (Ed.)

2016, XVII, 313 p. 136 illus., 100 illus. in color.,

Hardcover

ISBN: 978-3-319-27725-7
