Individual Differences

Tailoring Web Pages for Persuasion on Prevention Topics: Message Framing, Color Priming, and Gender	3
<i>Luca Chittaro</i>	
Supporting Users in Setting Effective Goals in Activity Tracking	15
<i>Katja Herrmann, Jürgen Ziegler, and Aysegül Dogangün</i>	
Persuasive and Culture-Aware Feedback Acquisition	27
<i>Malik Almaliki and Raian Ali</i>	

Theoretical Reflections

Crowd-Designed Motivation: Combining Personality and the Transtheoretical Model	41
<i>Roelof A.J. de Vries, Khiet P. Truong, and Vanessa Evers</i>	
The EDIE Method – Towards an Approach to Collaboration-Based Persuasive Design	53
<i>Sandra Burri Gram-Hansen</i>	
Persuasive Backfiring: When Behavior Change Interventions Trigger Unintended Negative Outcomes	65
<i>Agnis Stibe and Brian Cugelman</i>	
Captology and Technology Appropriation: Unintended Use as a Source for Designing Persuasive Technologies	78
<i>Alina Krischkowsky, Bernhard Maurer, and Manfred Tscheligi</i>	

Prevention and Motivation

Self-Reflecting and Mindfulness: Cultivating Curiosity and Decentering Situated in Everyday Life.	87
<i>Ralph Vacca and Christopher Hoadley</i>	
Alcohol Behaviour Change: Lessons Learned from User Reviews of iTunes Apps	99
<i>Omar Mubin, Abdullah Al Mahmud, and Muhammad Ashad Kabir</i>	

Persuasive Strategies to Improve Driving Behaviour of Elderly Drivers by a Feedback Approach. 110
Perrine Ruer, Charles Gouin-Vallerand, and Evelyne F. Vallières

Creating Awareness of Sleep-Wake Hours by Gamification 122
Ezgi Ilhan, Bahar Sener, and Hüseyin Hacıhabiboğlu

Methods and Models

Cicero: Middleware for Developing Persuasive Mobile Applications 137
Antonello D'Aloia, Matteo Lelli, Duckki Lee, Sumi Helal, and Paolo Bellavista

Formalization of Computational Human Behavior Models for Contextual Persuasive Technology. 150
Tylar Murray, Eric Hekler, Donna Spruijt-Metz, Daniel E. Rivera, and Andrew Raij

The Persuasive Potential Questionnaire (PPQ): Challenges, Drawbacks, and Lessons Learned 162
Alexander Meschtscherjakov, Magdalena Gärtner, Alexander Mirnig, Christina Rödel, and Manfred Tscheligi

Persuasive Practices: Learning from Home Security Advisory Services 176
Mateusz Dolata, Tino Comes, Birgit Schenk, and Gerhard Schwabe

Persuasive Patterns in Q&A Social Networks 189
Ifeoma Adaji and Julita Vassileva

Games and Gamification

Utilizing a Digital Game as a Mediatory Artifact for Social Persuasion to Prevent Speeding 199
Bernhard Maurer, Magdalena Gärtner, Martin Wuchse, Alexander Meschtscherjakov, and Manfred Tscheligi

Smile Catcher: Can Game Design Lead to Positive Social Interactions? 211
Niaja Farve and Pattie Maes

More than Sex: The Role of Femininity and Masculinity in the Design of Personalized Persuasive Games. 219
Marc Busch, Elke Mattheiss, Michaela Reisinger, Rita Orji, Peter Fröhlich, and Manfred Tscheligi

A Gamified Solution to Brief Interventions for Nightlife Well-Being. 230
L. Gamberini, A. Spagnolli, M. Nucci, G. DeGiuli, C. Villa, V. Monarca, A. Privitera, L. Zamboni, and S. Leclercq

Long-Term Effects of Computerized Simulations in Protracted Conflicts: The Case of Global Conflicts	242
<i>Ronit Kampf</i>	

Interventions for Behavior Change

Understanding Changes in the Motivation of Stroke Patients Undergoing Rehabilitation in Hospital.	251
<i>Michelle Pickrell, Bert Bongers, and Elise van den Hoven</i>	
Developing a Virtual Coach for Chronic Patients: A User Study on the Impact of Similarity, Familiarity and Realism.	263
<i>Arlette van Wissen, Charlotte Vinkers, and Aart van Halteren</i>	
Improving Adherence in Automated e-Coaching: A Case from Insomnia Therapy	276
<i>Robbert Jan Beun, Willem-Paul Brinkman, Siska Fitrianie, Fiemke Griffioen-Both, Corine Horsch, Jaap Lancee, and Sandor Spruit</i>	
Online Peer Groups as a Persuasive Tool to Combat Digital Addiction	288
<i>Amen Alrobai, John McAlaney, Keith Phalp, and Raian Ali</i>	

Design Strategies and Techniques

Red Radiators Versus Red Tulips: The Influence of Context on the Interpretation and Effectiveness of Color-Based Ambient Persuasive Technology	303
<i>Shengnan Lu, Jaap Ham, and Cees Midden</i>	
Investigating Politeness Strategies and Their Persuasiveness for a Robotic Elderly Assistant.	315
<i>Stephan Hammer, Birgit Lugrin, Sergey Bogomolov, Kathrin Janowski, and Elisabeth André</i>	
RightOnTime: The Role of Timing and Unobtrusiveness in Behavior Change Support Systems	327
<i>Piiastiina Tikka and Harri Oinas-Kukkonen</i>	
Persuasive Information Security: Techniques to Help Employees Protect Organizational Information Security.	339
<i>Marc Busch, Sameer Patil, Georg Regal, Christina Hochleitner, and Manfred Tscheligi</i>	
Lock Up the Lighter: Experience Prototyping of a Lively Reflective Design for Smoking Habit Control.	352
<i>Kenny K.N. Chow</i>	

Erratum to: Self-Reflecting and Mindfulness: Cultivating Curiosity
and Decentering Situated in Everyday Life. E1
 Ralph Vacca and Christopher Hoadley
