1 Urban Fringe: The Concept	1
1.1 Concept of Urban Fringe	1
1.2 Traditional Concepts of the Urban Fringe	2
1.3 Concept of Dynamic Urban Fringe Landscape	3
1.4 Development of Urban Fringe in a Globalizing World	4
1.5 Delimitation of Urban Fringe	5
1.6 Structure of Urban Fringe in India	7
1.7 Different Models of Urban Fringe	7
1.7.1 Pryor's Model	7
1.7.2 Zonal Model of the Rural–Urban Fringe	8
1.7.3 The Bow Wave Model	9
1.7.4 The Ribbon Model	9
1.8 Delineation of Urban Fringe	9
1.9 Rural–Urban Linkages	10
1.10 Urban Fringe Linkages: The Changing Urban Fringe Linkages and Flows	12
1.11 Urban Fringe Linkages: The City Expansion and Dispersal	12
1.12 Urban Fringe Linkages: The Secondary Cities and Urban Diffusion	14
1.13 Linkages and Livelihood in Urban Fringe	15
1.13.1 Demographic Flows	15
1.13.2 Flow of Materials and Goods	18
1.13.3 The Flow of Capital	19
1.13.4 The Flow of Waste	19
1.13.5 The Flow of Information and Ideas	20
1.14 Conceptual Framework	21
References	22
2 The Study Area: Aligarh Urban Fringe	25
2.1 Location of Aligarh City	25
2.2 Historical Evolution of Aligarh City	25

2.3	Administrative Set up of Aligarh City	26
2.4	Population Growth in Aligarh City.	28
2.5	Marketing Centres in Aligarh City	30
2.6	Status of Infrastructure Facilities in Aligarh City	30
2.7	Employment Prospects in Aligarh City	32
2.8	Nature-Based Activities and Its Economic Input	33
2.9	Development of Urban Fringe Around Aligarh City	35
3	Urban Fringe: The Features of Livelihood	37
3.1	Livelihoods in Urban Fringe	38
3.2	Categorization of Livelihood	38
3.2.1	Non Cash Based Livelihood	38
3.2.2	Cash-Based Livelihoods	42
3.3	Livelihoods Trends	44
3.4	Livelihood Diversification.	53
3.5	Economically Active Member Within Households	56
3.6	Age Preferred Economic Activities.	58
3.7	Generation-Wise Occupation.	59
3.8	Status of Women.	60
	References	68
4	Urban Fringe: Crop Cultivation as Livelihood Option.	69
4.1	Crop Cultivation as Livelihoods (At Individual Level)	70
4.2	Crop Cultivation as Livelihoods (At Household Level).	71
4.3	Nature of Farming Activity.	72
4.4	Farm Size.	73
4.5	Marketing of Produced Crops	74
4.6	Leasing of Agricultural Land.	75
4.7	Farm Activity as Part-Time Livelihood Option	76
4.8	Intensification of Agriculture.	77
4.9	Cropping Pattern	80
4.9.1	Features of Farming Activity in Immediate Urban Fringe.	80
4.9.2	Features of Farming Activity in Intermediate Urban Fringe.	81
4.9.3	Features of Farming Activity in Distant Urban Fringe.	82
4.9.4	Dynamics in Area Under Major Crops	83
	References	90
5	Urban Fringe: Dairying Activity as Livelihood Option	93
5.1	Status of Livestock Farming	97
5.2	Dairying as an Emerging Livelihood Option	97
5.3	Dairying Activity as Livelihood Option	98
5.4	Dairying Activity Is Thriving in Immediate Urban Fringe	99

5.5	Dairying Activity is Popular among Joint Family	102
5.6	Management in Dairying Activity	103
5.7	Dairying as a Supportive Livelihood Option	106
5.8	Household Consumption of Dairy Products	106
5.9	Milk Sales and Milk Marketing	107
	References	114
6	Urban Fringe: The Transformations	115
6.1	The Transformation in the Economic Environment	117
6.1.1	Better Economic Opportunities	117
6.1.2	Larger Market for the Fringe Producers	118
6.1.3	A Place Which Offers Monetized Economy	119
6.1.4	Diversification of Economic Activity	119
6.1.5	Higher and Regular Wages	120
6.1.6	Occupational Transformation	121
6.1.7	Increasing Land Value	121
6.2	The Transformation in Social Environment	123
6.2.1	Changing Demographic Features	123
6.2.2	Conflicts Among Old Residents and Migrants	123
6.2.3	Emergence of New Family System	125
