

Contents

1	Visual Impairment and Its Impact on Development	1
1.1	Basic Terminology and Definitions in Vision Rehabilitation	2
1.1.1	Visual Impairment (CZ: Zrakové Postižení).....	5
1.1.2	Terminological Definition of the Target Group for Vision Rehabilitation.....	7
1.2	Classification of Visual Impairment.....	7
1.3	Frequent Reasons of Reduction or Loss in the Czech Republic.....	9
1.4	Anatomical and Physiological Aspects of Vision	10
1.4.1	Basic Visual Functions and Disorders	11
1.4.2	Visual Cognition and Its Disorders	14
1.4.3	Visual Attention	16
1.5	Psychosocial Aspects of Visual Impairment	17
1.5.1	Specifics of Cognitive Processes	17
1.5.2	Specifics of Adaptation and Coping.....	22
1.5.3	Social Context of Visual Impairment.....	25
1.5.4	Impact of Visual Impairment on Quality of Life	28
	References.....	34
2	Rehabilitation of Individuals with Visual Impairment in the Czech Republic	37
2.1	Development of Czech Rehabilitation Interventions in Brief.....	39
2.2	Theoretical Models of Rehabilitation	41
2.3	Rehabilitation Paradigm.....	42
2.4	Conditions and Principles of Rehabilitation Process	44
2.5	The Role of Special Education Approaches.....	46
2.5.1	Model of Educational Approach	48
2.5.2	Principles of Special Education of Individuals with Visual Impairment.....	50
2.5.3	Educational Methods and Techniques.....	50
2.5.4	Process and Forms of Education.....	51

2.6	The Role of Age Factor in Education	52
2.6.1	Specific Educational Approaches to Older Adults	53
2.7	Rehabilitation Programmes.....	55
2.8	The Role of Assistive Devices and Technology.....	57
	References.....	58
3	Concept of Vision Rehabilitation in the Czech Republic	61
3.1	Development of Visual Rehabilitation and Training in Brief.....	63
3.2	Existing Approaches to Visual Training.....	64
3.3	Terminological Problems.....	65
3.4	Current Structure and Perspective of Vision Rehabilitation	67
3.4.1	Current Situation and Its Problems	67
3.5	Innovative Vision Rehabilitation Concept: Theoretical Postulates, Meanings and Objectives	72
3.5.1	Target Groups.....	74
3.5.2	Comprehensive Concept	75
3.5.3	Basic Factors.....	77
3.5.4	Visual Information Modification.....	87
3.5.5	Assistive Devices and Technology	89
3.6	Vision Rehabilitation Process	98
3.6.1	Assessment and Individual Rehabilitation Plan.....	99
3.6.2	Visual Training Techniques.....	107
3.6.3	Visual Training Techniques.....	109
3.6.4	Supportive Techniques.....	122
3.7	Brief Notes on the Implementation of Visual Training.....	127
	References.....	129
4	Reading as One of the Objectives of Vision Rehabilitation.....	135
4.1	Theory of Reading Performance	136
4.1.1	Assessment of Reading Performance in the Czech Republic	137
4.1.2	Reading Skills Development Strategies.....	144
4.2	Teaching Recommendations for Reading Skill Training	147
	References.....	151
5	Objectives, Questions and Characteristics of the Research Group Involved in the Study.....	153
5.1	Objectives, Questions and Tasks of the Research.....	153
5.1.1	Research Objectives.....	154
5.1.2	Research Questions and Tasks	154
5.1.3	The Basic Research Question	154
5.1.4	Operationalization of the Basic Question into Partial Research Tasks	155
5.1.5	Additional Questions	155
5.1.6	Research Tasks.....	156

5.2	Characteristics of Research Groups	156
5.2.1	Frequency of Observed Group	159
	References	159
6	Research Methodology	161
6.1	Research Planning	161
6.1.1	Research Situation	163
6.1.2	Structure of the Course of Rehabilitation Programme	165
6.1.3	Operationalization of the Programme	166
6.2	Methods of Obtaining and Recording Data	170
6.2.1	Method of Data Comparison	170
6.2.2	Method of Processing Anamnestic and Diagnostic Data	170
6.2.3	Method of Interview	171
6.2.4	Method of Qualitative Observation	171
6.2.5	Method of Dialectical Experiment	172
6.2.6	Experimental Factors	173
6.2.7	Method of Experimental Testing	173
6.2.8	Method of Experimental Measurements	174
6.3	Methods of Processing and Displaying Data	177
6.3.1	Coding Method	178
6.3.2	Displaying Data	179
6.3.3	Data Analysis of Case Study	179
6.4	Methods of Data Analysis	184
6.4.1	Mathematical and Statistical Methods	184
6.4.2	Qualitative Methods of Data Analysis	185
6.4.3	Structure of the Analysis of Qualitatively Verified Relationships and Intervening Variables	185
	References	187
7	Results of the Research	189
7.1	Results of Measurement: Individual Cases	190
7.1.1	Interpretation of Measurement Results: Proband A	191
7.1.2	Interpretation of Measurement Results: Proband B	192
7.1.3	Interpretation of Measurement Results: Proband C	194
7.1.4	Interpretation of Measurement Results: Proband D	196
7.1.5	Interpretation of Measurement Results: Proband E	198
7.1.6	Interpretation of Measurement Results: Proband F	200
7.1.7	Interpretation of Measurement Results: Proband G	202
7.1.8	Interpretation of Measurement Results: Proband H	203
7.1.9	Interpretation of Measurement Results: Proband I	206
7.1.10	Interpretation of Measurement Results: Proband J	208
7.1.11	Discussion to Individual Cases	209

7.2	Summary Results of the Measurements of Reading Performance	210
7.2.1	Results in the Category of Reading Rate	210
7.2.2	Results in the Category of Reading Accuracy (Number of Errors)	226
7.2.3	Results in the Category of Reading Comprehension	243
7.3	Summary Results Achieved During the Experimental Programme	260
7.3.1	Summary Results and Discussion on Visual Acuity	261
7.3.2	Summary Results and Discussion on Age	262
7.3.3	Summary Results and Discussion on Reading Experience.....	262
7.3.4	Summary Results and Discussion on Activity	263
	References.....	264
8	Conclusions	267
8.1	Conclusions of Empirical Research	267
8.2	Recommendations for Rehabilitation Theory	271
8.3	Recommendations for Rehabilitation Practice.....	273
8.4	Summary	276
	References.....	277
	Appendix A: Recommendation of implementation of the interdisciplinary research by the Ethics Committee of the University Hospital in Hradec Králové—English translation	279
	Appendix B: Czech original	281
	Appendix C: Members of the Ethics Committee	283
	Index.....	285

Reading Rehabilitation for Individuals with Low Vision
Research and Practice in the Czech Republic

Růžicková, K.

2016, XVII, 290 p. 83 illus., 26 illus. in color., Hardcover

ISBN: 978-3-319-43652-4
