Table of contents

Abbreviations ..... **XI**
Tables ..... **XIII**
Figures ..... **XV**

1 Introduction **1**
1.1 Motivation 3
1.1.1 Relevance of research subject 4
1.1.2 Limitations in current theory and research 6
1.2 Research objective and research question 7
1.3 Focus and definitions 8
1.3.1 China as a research setting 8
1.3.2 Innovation in emerging and transition economies 11
1.3.3 Defining "innovation" 12
1.3.4 Types of firm-based innovation 14
1.3.5 Unit of analysis: European and Chinese corporations 23
1.3.6 Innovation in China – integrating the historical perspective 24
1.4 Dissertation structure 27

2 Research Design **31**
2.1 Research concept 31
2.2 Research method 32
2.3 Sample selection 36
2.4 Case study data collection and data analysis 41
2.4.1 Data collection 41
2.4.2 Data analysis 43

3 Historical perspective on innovation in China **45**
3.1 The historical perspective on innovation 45
3.1.1 Economic context 46
3.1.2 Institutional & political context 46
3.1.3 Sociocultural context 50
3.2 Innovation in China's Strategic Emerging Industries 51
3.2.1 Economic context of China 52

3.2.2 Institutional & political context 53
3.2.3 Sociocultural context 62
3.3 How history can inform the present: research framework 68

4 Practical relevance of historical perspective 71
4.1 Innovation in emerging markets and China 71
4.2 The relevance of history for management 73
4.3 Summary 75

5 Empirical findings 77
5.1 The historical context of innovation 77
5.1.1 Innovation during the First Industrial Revolution 78
5.1.2 Innovation during the Second Industrial Revolution 87
5.1.3 Innovation since the Second World War 95
5.1.4 Summary 104
5.2 Case studies: Innovation in China's Strategic Emerging Industries 106
5.2.1 Case 1: Bayer Material Science 108
5.2.2 Case 2: BYD- Daimler New Technology Co., Ltd. 113
5.2.3 Case 3: Haier Group 118
5.2.4 Case 4: Siemens AG 124
5.2.5 Summary and cross-case analysis 130

6 Synthesis: integrating the historical perspective 133
6.1 Synthesis of empirical results: economic context 133
6.2 Synthesis of empirical results: institutional & political context 136
6.3 Synthesis of empirical results: sociocultural context 137

7 Theoretical and managerial Implications 139
7.1 Theoretical implications 139
7.2 Managerial implications 143

8 Conclusion 151
8.1 Summary: theoretical implications 151
8.2 Summary: managerial implications 152
8.3 Limitations and further research 154
