Contents

1 Introduction 1
References 4

2 Preparation of Haloalkynes 5
References 7

3 Reactions of Haloalkynes 9
3.1 Transformations of Carbon-Halo Bond Motif 9
3.1.1 Construction of Carbon-Carbon Bond 10
3.1.2 Construction of Carbon-Nitrogen Bond 33
3.1.3 Construction of Carbon-Sulfur Bond 35
3.1.4 Construction of Carbon-Phosphorus Bond 36
3.2 Transformations of Carbon-Carbon Triple Bond Motif 37
3.2.1 Nucleophilic Additions. 38
3.2.2 Cycloadditions 48
3.3 Transformations Involved Both Carbon-Halo Bond and Carbon-Carbon Triple Bond Motif 57
3.3.1 Initially Reacted at the Carbon-Halo Bond 57
3.3.2 Initially Reacted at the Carbon-Carbon Triple Bond. 60
