                      (<http://www.springer.com/978-3-662-50496-3>)

**SpringerLink:**   **ISBN 978-3-662-50497-0**  
                      (<https://link.springer.com/book/10.1007/978-3-662-50497-0>)

## Note

Due to an error in our printing-on-demand processes, Springer distributed print editions of the book with a cover that included a mistake: the book authors, Daniel Kroening and Ofer Strichman, were incorrectly identified as “Editors”.

This mistake originated in Springer’s processes, we apologize for any problems and any confusion caused by our mistake.

## Citations

When citing the book please ensure that Prof. Kroening and Prof. Strichman are identified as authors, not editors.

All data in Springer’s systems are correct, please access the information on these websites:

<http://www.springer.com/978-3-662-50496-3>

<https://link.springer.com/book/10.1007/978-3-662-50497-0>

## Printed Copies

If you received an incorrectly printed copy of the book, one with “Editors” on the cover, please contact us directly for a replacement copy: [ronan.nugent@springer.com](mailto:ronan.nugent@springer.com)
