

Contents

1	Introduction: The Large Herbivores of South and Southeast Asia—A Prominent but Neglected Guild	1
	Farshid S. Ahrestani and Mahesh Sankaran	
2	Evolutionary History of the Large Herbivores of South and Southeast Asia (Indomalayan Realm)	15
	Faysal Bibi and Grégoire Métais	
3	Species Richness and Size Distribution of Large Herbivores in the Himalaya	89
	Charudutt Mishra, Yash Veer Bhatnagar and Kulbhushansingh R. Suryawanshi	
4	Grazing and Browsing by Large Herbivores in South and Southeast Asia.	99
	Farshid S. Ahrestani, Ignas M.A. Heitkönig, Hisashi Matsubayashi and Herbert H.T. Prins	
5	Frugivory and Seed Dispersal by Large Herbivores of Asia	121
	Sachin Sridhara, Kim McConkey, Soumya Prasad and Richard T. Corlett	
6	Behavioural Ecology of a Grassland Antelope, the Blackbuck <i>Antelope cervicapra</i>: Linking Habitat, Ecology and Behaviour.	151
	Yadvendradev V. Jhala and Kavita Isvaran	
7	Do Large Herbivores Influence Plant Allocation to Above- and Belowground Compartments?	177
	Sumanta Bagchi	
8	Grazing and Fire Effects on Community and Ecosystem Processes in a Tall-Grass Mesic Savanna Ecosystem in Southern India	187
	Mahesh Sankaran	

9	Density and Activity Patterns of the Globally Significant Large Herbivore Populations of Cambodia's Eastern Plains Landscape	207
	Thomas N.E. Gray, Sovanna Prum and Channa Phan	
10	Persistence of Tropical Asian Ungulates in the Face of Hunting and Climate Change	223
	Alys Granados and Jedediah F. Brodie	
11	The Ecology of Large Herbivores of South and Southeast Asia: Synthesis and Future Directions	237
	Mahesh Sankaran and Farshid S. Ahrestani	
	Species Index	251
	Subject Index	253

The Ecology of Large Herbivores in South and
Southeast Asia

Ahrestani, F.S.; Sankaran, M. (Eds.)

2016, VIII, 257 p. 57 illus., 31 illus. in color., Hardcover

ISBN: 978-94-017-7568-7
