1	Overview and Perspective	1
	Background	2
	School Drug Education Research	3
	School Health and Alcohol Harm Reduction Project (SHAHRP)	4
	Results	5
	Impact on the Research Field	6
	Translational Impact	7
	The SHAHRP Studies	7
	A Final Comment	8
	References	9
2	The Intervention Research Framework: Background and Overview	11
	Intervention Research Framework: Background and Development	12
	Description of the Intervention Research Framework	13
	Sources of Information for the Notification Phase	15
	The SHAHRP Study Experience	15
	The Notification Phase of the SHAHRP Study	15
	Benefits of Developing Links Between Researchers and Policy-Practice Professionals During Intervention Research	18
	The Notification Phase	19
	The Development Phase	19
	The Assessment Phase	19
	The Dissemination Phase	20
	Recommendations	20
	References	21

3	The Formative Phase of the Intervention Research Framework:	
	Theories	23
	The Formative Phase of the Intervention Research Framework	23
	Theories and Models	25
	The Prevention Framework	26
	Commonly Used Theories and Models	27
	Individual Behaviour Change Theories	30
	Community Theories that Enable Individual Behaviour Change	30
	Organisational Change Theories	30
	Theories that Describe Dissemination or Diffusion into Policy and Practice	31
	The SHAHRP Study Example	31
	How SHAHRP Incorporated Theories	31
	Social Learning Theory [excerpt from (26)]	32
	Recommendations	36
	References	36
4	The Formative Phase of the Intervention Research Framework: Literature and Expert Review	39
	Reviewing Research Literature	39
	Components of a Systematic Literature Review	40
	Objectives	41
	Parameters	42
	Documenting the Process	44
	Overview of Studies that are Accepted and Rejected	44
	Analytical Processes and Summaries	45
	Recommendations to the Research Field and Profession	46
	Expert Review	47
	How to Conduct an Expert Review	47
	The SHAHRP Study Example	48
	Systematic Literature Review: Parameters and Methodology, the School Health and Alcohol Harm Reduction Project (SHAHRP Study)	48
	Recommendations	52
	References	52
5	The Formative Phase of the Intervention Research Framework: Target Group Input	55
	Benefits of Involving Primary and Secondary Target Groups in Research Intervention Development	56
	Focus Groups and In-depth Interviews with the Target Group	57
	When to Use Focus Groups and In-depth Interviews	57
	In-depth Interview Methodology	57

Focus Group Methodology	58
Discussion/Interview Schedule	59
Other Considerations for In-depth Interviews and Focus Groups.	60
Saturation	60
Analysis	61
Using Findings from Systematic Literature Review, Expert Review and Target Group Discussions in Program Development.	62
The SHAHRP Study Experience	62
The School Health and Alcohol Harm Reduction Project (SHAHRP Study) Focus Groups	62
Recommendations	64
References.	64
6 The Formative Phase of the Intervention	
Research Framework: Intervention Pilot, and Assessing	
Fidelity of Implementation	67
Incorporating Formative Findings into Initial Pilot Intervention	68
Benefits of Conducting an Intervention Pilot	69
Recruitment and Engagement of Pilot (and Research) Schools	70
Consent.	71
Methods for Collecting and Incorporating Pilot Data to Refine Intervention Design	73
Trialling and Recording Fidelity of Implementation	73
How the Formative Phase Impacts on Cost, Staffing and Timeline	75
The SHAHRP Study Experience [4].	77
Piloting the Intervention Program	77
Fidelity of Implementation [5].	78
Quotes from Teachers and Students	79
Recommendations	80
References.	80
7 The Assessment Phase of the Intervention Research	
Framework: Study Design.	83
The Assessment Phase of the Intervention Research Framework.	84
The Study Team.	85
Components of Good Study Design	86
Study Hypothesis, Aims and Objectives	87
Study Analysis Plan	87
Control Group	88
Fidelity of Implementation.	89
Biases in Intervention Research	90
Factors Affecting the Internal Validity of the Study	90

External Validity	93
Study Design Manual	93
Replication of Findings	93
Ethical Considerations.	94
Costs	95
Nil or Adverse Effects	95
The SHAHRP Study Experience—Selected Issues	96
SHAHRP Study Implementation Cost (Excerpt from [14]).	96
Limitations of the SHAHRP Study (Excerpt from [14]).	97
Recommendations	98
References.	98
 8 The Assessment Phase of the Intervention Research	
Framework: Selecting a Study Sample	101
Defining the Population of Interest	102
Sampling.	102
Types of Random Sampling.	103
Stratified Sampling or Stratification	103
Cluster Sampling	104
Random Assignment to Intervention and Control Groups	104
Methods for Random Selection and Allocation.	105
Non-respondent Rate During Selection; and Attrition	105
Sample Size and Power Analysis	106
Comparing the Study Sample to the Total Population	
Using State or National Level Data.	108
Qualitative and Quantitative.	109
Generalizability	109
The SHAHRP Study Experience (Excerpt from [6])	110
Other Sample Considerations	111
Recommendations	112
References.	112
 9 The Assessment Phase of the Intervention	
Research Framework: Recruitment of a Study Sample	115
Recruitment Strata's in Educational Settings	116
System	116
District	116
Individual School Level	117
At the School	117
Gatekeepers.	117
Informing Other School Staff.	119
Parents	120
Students	121

Factor that Support Intervention Research in Schools	122
Contract of Agreement	122
School-Based Research Coordinator	123
Timing	123
Fitting into the School Schedule and Program	123
Absenteeism	125
Planning for Change	125
Recommendations	126
References.	126
10 The Assessment Phase of the Intervention Research	
Framework: The Measurement Instrument	
and Data Collection	129
Dimensions of a Study Measurement Instrument	130
Using Findings from the Formative Phase to Inform	
Survey Development.	130
Theories and Models	130
Target Group Input.	131
Expert Input	131
Instruments/Items from Other Similar Studies	132
Assessing the Parametric Qualities of a Research Instrument	133
Validity.	133
Reliability	134
Data Collection	136
Linking Respondents Surveys	138
Managing Data	139
Data Collection Protocol	139
Recruitment of Data Collectors	139
Data Collection Protocol Documentation and Manual	140
Training of Data Collectors	140
Analysis of Data Collector Impact	140
Data Management Plan	141
The SHAHRP Study Experience	142
Reliability Analysis and Results	142
Recommendations	147
References.	147
11 Dissemination Phase of the Intervention	
Research Framework: Presentation and Dissemination	
of Results	149
Research Results	149
Main Effects	150
A Bit More on Effect Size.	152

The Chances of a Chance Finding; and Practical Significance	153
Extrapolation of Study Findings	154
Comparisons to Other Findings in the Field	154
Replication of Findings	154
Evidence-Based and Proof-of-Impact	155
Practical Significance	155
Developing Research and Translational Recommendations	156
Disseminating Research Findings	157
Translation of Research Findings to Policy and Practice	158
The SHAHRP Study Experience	159
Effect Size	159
A Sample of SHAHRP Study Recommendations	159
Dissemination of SHAHRP	161
The SHAHRP Dissemination Project	161
The SHAHRP Refresh Study	162
Recommendations	163

12 Final Comments and Recommendations	165
Final Comments	165
Recommendations	166
Chapter 2: The Intervention Research Framework:	
Background and Overview	166
Chapter 3: The Formative Phase of the Intervention	
Research Framework: Theories	166
Chapter 4: The Formative Phase of the Intervention	
Research Framework: Literature and Expert Review	166
Chapter 5: The Formative Phase of the Intervention	
Research Framework: Target Group Input	167
Chapter 6: The Formative Phase of the Intervention	
Research Framework: Intervention Pilot and Assessing	
Fidelity of Implementation	167
Chapter 7: The Assessment Phase of the Intervention Research	
Framework: Study Design	168
Chapter 8: The Assessment Phase of the Intervention Research	
Framework: Selecting a Study Sample	168
Chapter 9: The Assessment Phase of the Intervention Research	
Framework: Recruitment of a Study Sample	169

Chapter 10: The Assessment Phase of the Intervention	
Research Framework: The Measurement Instrument	169
Chapter 11: Dissemination Phase of the Intervention Research	
Framework: Presentation and Dissemination of Results	170
Glossary	171

Intervention Research

A Practical Guide for Developing Evidence-based School
Prevention Programmes

McBride, N.

2016, XV, 173 p. 8 illus., Hardcover

ISBN: 978-981-10-1009-5
