7 Evidence-Based Treatment, Surgical Indications, Contra-indications, Preoperative Clinical Evaluation, and Preoperative Preparation for Anesthesia	63
Evidence-Based Treatment	63
Parangliomas	63
Schwannomas	65
Meningiomas.....	66
Chordomas	66
Chondrosarcomas.....	66
Surgical Indications.....	67
Contra-indications	68
Preoperative Clinical Evaluation	68
Preoperative Preparation for Anesthesia.....	69
References.....	69
8 Preoperative Embolization.....	71
Jugular Foramen Parangliomas	72
Schwannomas	74
Meningiomas.....	76
References.....	77
9 Surgical Treatment and Postoperative Management	79
Surgical Approaches	79
Retrosigmoid Approach	80
Cranio-cervical Approach	87
Postoperative Management.....	117
References.....	119
10 Clinical Examples and Videos.....	121
Parangliomas	121
Case 1.....	121
Case 2.....	121
Case 3.....	122
Case 4.....	125
Case 5.....	125
Case 6.....	126
Schwannomas	127
Case 7.....	127
Case 8.....	129
Case 9.....	130
Meningiomas.....	134
Case 10.....	134
Case 11	135
Case 12.....	135

Chondroma.....	137
Case 13.....	137
Chondrosarcoma	138
Case 14.....	138
11 Histopathological Findings.....	139
Meningiomas.....	139
Parangliomas	140
Schwannomas	142
Chondrosarcomas.....	143
Chordomas	143
Giant Cell Tumor	145
Plasmacytoma	145
Endolymphatic sac tumors.....	146
References.....	147
12 Radiation Therapy and Radiosurgery	149
Parangliomas	149
Conventional Radiotherapy	149
Radiosurgery	150
Schwannomas	150
Fractionated Stereotactic Radiotherapy	151
Radiosurgery	151
Meningiomas.....	152
Fractionated Stereotactic Radiotherapy	152
Radiosurgery	152
Chordomas	153
Proton Beam Radiation Therapy.....	154
Carbon Ion Therapy	154
Radiosurgery	155
Fractionated stereotactic radiotherapy	156
Chondrosarcomas.....	156
Conventional Radiotherapy	157
Proton Beam Radiotherapy	157
Carbon Ion Therapy	158
Radiosurgery	158
References.....	158
13 Chemotherapy	163
Parangliomas	163
Meningiomas.....	164
Schwannomas	165
Chordomas	165
Chondrosarcomas.....	166
References.....	166

14 Surgical Results, Rehabilitation and Conclusions	169
Results.....	169
Paragangliomas	169
Meningiomas.....	171
Schwannomas	171
