Part I Theoretical Framework and Issues of Population Control and Family Planning

1	Theoretical Framework on Studies of Population	3
2	Issues Arising Out of Theories for Control of Population	9
2.1	Population status	9
2.2	Food grains Production scenario	22
2.3	Poverty status	26
2.4	Nutritional status	34
2.5	Unemployment scenario	41
2.6	Human development profile	47
2.7	Resources scenario	52
2.7.1	Forests Resources	52
2.7.2	Water Resources	53
2.8	Environmental and Climatic scenario	54
3	Other Important Issues Relevant for Control of Population	57
3.1	Demographic Issues	58
3.1.1	Population Projection	59
3.1.2	Crude Birth Rate	64
3.1.3	Total Fertility Rate (TFR)	65
3.1.4	Other Instruments Available for Demographic Data	66
3.2	Social Issues	68
3.2.1	Age of Marriage	68
3.2.2	Dowry	70
3.3	Cultural Issues	71
3.3.1	Girl Child	71
3.3.2	Sons Preference	75
3.4	Gender Issues	75

3.4.1	Male in Family Planning	76
3.4.2	Women in Family Planning and Other Related Women Issues	79
3.5	Socio-Religious Issues	82
3.5.1	Minoritism.	82
3.5.2	Religious Issues.	83
3.6	Political Issues	89
3.7	Contraceptive Issues	90
3.8	Health Issues	99
3.8.1	Pregnancy Care/Prenatal Care	99
3.8.2	Post Partum Care/Post Natal Care	101
3.8.3	Birth Spacing.	102
3.8.4	Breast Feeding.	102
3.8.5	Reproductive Tract Infection (RTI) & Sexually Transmitted Infection (STI)	103
3.8.6	HIV and AIDS	104
3.8.7	Adolescent Care	105
3.9	Child Care Issues Including Child Nutrition.	106
3.10	Educational Issues	118
3.11	Population Education	119
3.12	Media Issues.	121
3.13	IEC Issues	122
3.14	Legal Issues	131
3.14.1	Constitutional Provisions.	132
3.14.2	Legal age of Marriage	132
3.14.3	Registration of Marriage	133
3.14.4	Dowry Prohibition Act, 1961	136
3.14.5	The Preconception and Pre-natal Diagnostic Test Act.	140
3.14.6	The Medical Termination Of Pregnancy Act, 1971	146
3.14.7	The Maharashtra Family Act, 1976.	148
3.14.8	Others	148
3.15	Organisational Issues and Organisational Set-up	149
3.15.1	Organisational Set-up	150
3.15.2	Counselling Set-up and Counselling Issues	151
3.15.3	Incentives Versus Disincentives.	153
3.16	Social Security Issues	154
4	Issues Arising Out of the Health Policy and National Population Policy for Control of Population	157
5	Issues Emerging Out of the International Conference on Population and Development (ICPD) and Millennium Development Goals (MDGs)	161

5.1	International Conference on Population and Development (ICPD)	161
5.1.1	Programme of Actions.	165
5.2	Millennium Development Goals (MDGs) and the Population Control Issues.	167
6	Current Issues in the Post Census, 2011	171
Part II Requisites of the Population Control Programme		
7	Conceptual Clarifications on Data Used in Population Control Area	177
8	Data Profiles Relevant for the Management of Population Control Mechanism.	181
8.1	State Level Data	183
8.1.1	Demographic Data.	183
8.1.2	Vital Statistics	184
8.1.3	Family Planning/Welfare Data.	184
8.2	District Level Data	184
8.2.1	Demographic Data.	184
8.2.2	Vital Statistics	185
8.2.3	Family Planning/Welfare Data.	185
8.3	Sub-District Level Data	185
8.3.1	Demographic Data.	185
8.3.2	Family Planning/Welfare Data.	186
9	Family Welfare Structure in the Country and Issue-Based Management Support Structure.	187
9.1	Apex Level.	189
9.2	Directorate General Health Services	190
10	Decentralisation of Family Welfare Programmes in the Country.	193
11	Financing the Population Control and Family Planning Programme in the Country.	197
12	Monitoring Mechanism.	209
Part III Sustainable Population in the Background of Sustainable Development Goals		
13	Sustainable Population in the Background of Sustainable Development Goals	217
13.1	Background of Sustainable Development Goals—the End of Journey of Millennium Development Goals (MDGs).	223

13.2	Issues of Sustainable Population in the Background of Sustainable Development Goals	243
Part IV Population Control Initiatives in India		
14	Health Policy in India	247
14.1	National Health Policy, 1983	248
14.2	National Health Policy, 2002	250
14.2.1	Objectives of the National Health Policy, 2002.	250
14.3	Draft National Health Policy 2015	252
15	Population Policy in India	255
15.1	The National Population Policy, 2000	257
15.1.1	Objectives of the Population Policy, 2000.	259
15.1.2	Legislation, Public Support and New Structures	268
15.2	Outcome of the National Population Policy, 2000	271
16	Family Welfare Approaches in the Five Year Plans	273
17	Family Welfare Programmes in India	297
18	The Story of Achievements	313
19	India's Perceived Challenges for Securing Sustainable Population in the Context of Sustainable Development Goals.	329
Erratum to: Sustainable Population in the Background of Sustainable Development Goals		E1
Appendix A: FAQs on Sustainable Development Summit, 2015		339
Appendix B: The Paris Agreement on Climatic Change Conference at COP 21		347
Appendix C: China's Population Policy and Family Planning Law—An Unofficial Version		371
Appendix D: Quotations on Population Stabilisation		379
Index		381
